

Enclosed with this letter is a University of Wyoming Foundation form titled *Notification of Legacy Gift*, which is used to record your future gift, help us document your philanthropy, and ensures that you receive proper recognition for your commitment to the University of Wyoming.

This form is optional, but if you are willing to document your gift there are a few required sections. These include:

GIFT DESIGNATION

This section indicates the purpose and intent of your gift. Your response can be as general as “for the College of Education” or as specific as “expendable distributions from this endowment fund shall be used to pay for student travel.” It is your money and we want to use it in a way that is most meaningful to you. Please contact us so we can help make you aware of funding needs in the program you are interested in supporting.

APPROXIMATE CURRENT VALUE OF YOUR GIFT

Thank you for sharing the details regarding your financial plans. This is not a legally binding document but assists UW colleges, departments, and programs in planning for the future. Information disclosed will be kept strictly confidential. We will not publish or release personal information about you or your gift without your permission.

We are grateful for your commitment to the University of Wyoming. For more information contact Brett Befus at (307) 766-4259 or email at pg@uwyo.edu. If you don't have questions, please complete this form and return it to the UW Foundation using the envelope provided.
