

Retreats at Gutshaus Gnevkwow

SLOW COUNTRYSIDE
TRANQUILITY

Two hours from the hustle of Berlin or Hamburg, and a world apart...

For generations the manor has been a sanctuary for those seeking peace and reflection. Nestled in quiet gardens brimming with greenery, Gutshaus Gnevkow offers the serenity needed to elevate any retreat.

The light and architecture of the building enhances the sense of space, reflection and calm. The communal spaces inside and out allow for connection around a firepit, with a verdant view or collectively around the dining table. The size and proportion of the house offers ample nooks and private areas for thought and meditation.

Be part of the legacy of this beautiful historic manor house and let the magic of the retreat resonate long afterwards.

Welcome to the slow lane...
