COURSE OVERVIEW

This qualification is to prepare a learner to function as a Commercial Cleaner. A Commercial Cleaner cleans offices, retail complexes, warehouses, residential complexes, construction sites, and other commercial premises using chemicals, cleaning tools and equipment. In addition, learner attributes (including problem solving, interpreting information and communication) are integrated in the learning process. Learners will have to prove competence of the above knowledge, skills, attitudes, responsibilities, and tasks imbedded in the exit level outcomes.

COURSE OUTCOMES

On completion of the program, you will be able to:

- Prepare equipment and tools, chemicals, and consumables to clean commercial premises to specification.
- Complete cleaning of the commercial premises to standard using cleaning principles and methods.

Accreditation status:

- NQF Level 1 – Accredited by the Quality Council for Trades and Occupations (QCTO)
- SAQA ID: 118702
- 120 Credits

Course duration:

- 12 months
