COURSE OVERVIEW

The primary purpose of this qualification is to develop in a learner, the foundational, practical and reflexive competencies required for a career in the Hygiene & Cleaning Services Industry. Central to the qualification is the development of a culture of quality service and professionalism in a cleaning services environment. This qualification intends to produce cleaners who can find gainful employment in the cleaning industry. The range of typical learners will include cleaners, team leaders, supervisors, temporary or relief cleaners and emerging entrepreneurs who currently, or who aspire, to operate in the cleaning industry at large. It is recognised that Cleaning is a 'feeder' industry from which learners can move into other related sectors.

COURSE OUTCOMES

On completion of the program, you will be able to:

- Recognise the importance of a healthy lifestyle by accepting own responsibility for life skills and wellness including HIV/AIDS.
- Demonstrate understanding of the application of cleaning principles according to international/world class standards and best practice.
- Clean generalised areas using cleaning principles according to international/world class standards and best practice.
- Clean ablution areas using cleaning principles according to international/world class standards and best practice.
- Clean floors using cleaning principles according to international/world class standards and best practice.
- Demonstrate knowledge of and apply environmental awareness during the cleaning process.

Accreditation status:

- NQF Level 1 – Accredited by the Quality Council for Trades and Occupations (QCTO)
- SAQA ID: 57937
- 121 Credits

Course duration:

- 12 months

Entry requirements:

- No formal learning is assumed to be in place. It is preferable however that a learner accessing this qualification has attained competence in Communication and Mathematical Literacy at ABET Level 2 or the equivalent.
