- Insulated modern flat dual pane acrylic lockable awning style windows with easy to rotate integrated bug screens and privacy shades
- Private bath with inside/outside shower and flip-up sink
- Toilet (select one): Thetford C223-CS cassette, 4.75 gal, or Separett Tiny urine-separating

OPTIONAL FEATURES

- Add one or two Victron Energy NG batteries (5.12kWh, 25.6V-200Ah) totaling 10.24kWh or 15.36kWh of energy storage - \$3,000 each
- Advanced Fast Idle Charging System for better alternator-battery charging at idle - \$500
- Transit cab and body vinyl wrap color options other than Oxford White - \$9,000
- Hood & Lower Front Headlight Panel w/ Black Wrap - \$500, Hood only - \$350
- Starlink flat mount antenna, prewired for install of antenna, Gen 3 - \$550 or Mini \$500
- Brandmotion Commercial FullVUE® Mirror Vision System FVMR-1150 - \$700
- Additional RuuviTag 4-1 Bluetooth Sensor, Cerbo GX monitoring, 2 included - \$35 ea
- 2 burner induction cooktop (replaces 1 burner) - \$150
- Small 0.6 cu ft microwave in upper cabinet - \$150
- MoonShade awning 9'x7' - \$500 or MoonShade XL 12'x9' - \$650
- MoonWall - Short 7'x7' - \$75, MoonWall - Long 9'x7' - \$100, MoonWall XL 12' x 9' - \$125
- Thetford C22 cassette toilet - \$250
- Additional cassette tank 4.75 gal.- \$200
- Separett Tiny compostable toilet with urine tube - \$500 + \$85 for optional urine tank
- Gray water flexible dump hose, 12' long, 1-½" diameter with MNPT connector for gray tank ball valve - \$100
- Exterior lockable, folding kitchen table, black powder coated aluminum, 28"x14" - \$250
- Lockable aluminum undermount storage box 61.5"Lx13.5"Hx18"D - \$1,750

- Over bed manual opening skylight with bug screen and blackout shades for stargazing and roof access
- 12V Pure Fan, brushless DC motor, 10 spd 2-way airflow, integrated LED lighting and blackout shade with remote control
- Low power and dimmable LED lighting throughout
- High efficiency and quiet (26-37dB) 9K BTU mini-split air conditioning with heat pump for heating down to -13F
- Espar Airtronic S3 B2L 2kW 12V ducted gas air heater with EasyStart Pro controller, altitude up to 13,000'
- 59 Gallons fresh water storage with tank level sensor, 24V Shurflo Aqua King II 3 GPM Water Pump, all PEX-A plumbing lines, Clearsource two stage water filtration system (first stage 5 micron coconut carbon block, second stage 0.2 micron absolute)
- 8 Gallon Isotemp marine hot water heater, heated by engine coolant or 115V-750W heating element
- 25 Gallon freeze protected exterior gray water tank with manual dump valve and tank level sensor
- Lockable insulated sliding door to cab for additional comfort and security
- Heavy duty 3-step aluminum stairs with lockable pin to prevent stair removal
- Over 65 cu. ft. of heated garage space with 39" height for inside bike storage
- Roof access wire port for installation of Starlink, WiFi or Cellular booster antennas

- Boot brush for stairs - \$100 and SafeStep slip prevention vinyl barrier for stairs - \$100
- FVC nudge bar- \$1,000
- FVC Transit Van Core Front Bumper - \$2,750
- FVC Transit Core Front Bumper Bull Bar - \$150
- Baja Designs Squadron SAE LED Lights, Amber, mounted in FVC Core Bumper - \$450
- FVC Transit Core Front Bumper Skid Plate - \$450
- VC 2 front tow points bolted to frame designed for use with ⅞" d-rings - \$1,000
- VC front receiver hitch bolted to the frame, black powder coated steel, static load capacity 400 lbs - \$1,500
- VC front winch mount bumper, 2 recovery points and 2" receiver, black powder coated steel, static load capacity 300 lbs, winch not included - \$1,750
- VC nerf bar for front winch mount bumper, black powder coated steel - \$300
- VC Intercooler skid plate, black powder coated 3/16" thick aluminum - \$750
- VC Falcon 3.3 SP2 Fast Adjust Rear Shocks - \$700 or \$1,250 installed after delivery
- Baja Designs LP6 Pro LED lights, pair, mounted on nudge bar or bull bar with dash switch - \$1,500
- Hoodline mounted Baja Designs Squadron Pro LED lights, pair with dash switch - \$750
- Ford Raptor style grill - \$500
- Camper body ridgeline brush guards and roof rack, powder coated aluminum - \$TBD
