About Us

- Founded in 2007.
- Two decades of experience.
- One person's ambition became a 65+ team organization.
- Middle East's leading event technology partner.
- From seminars to trade shows, Evento supports all events.

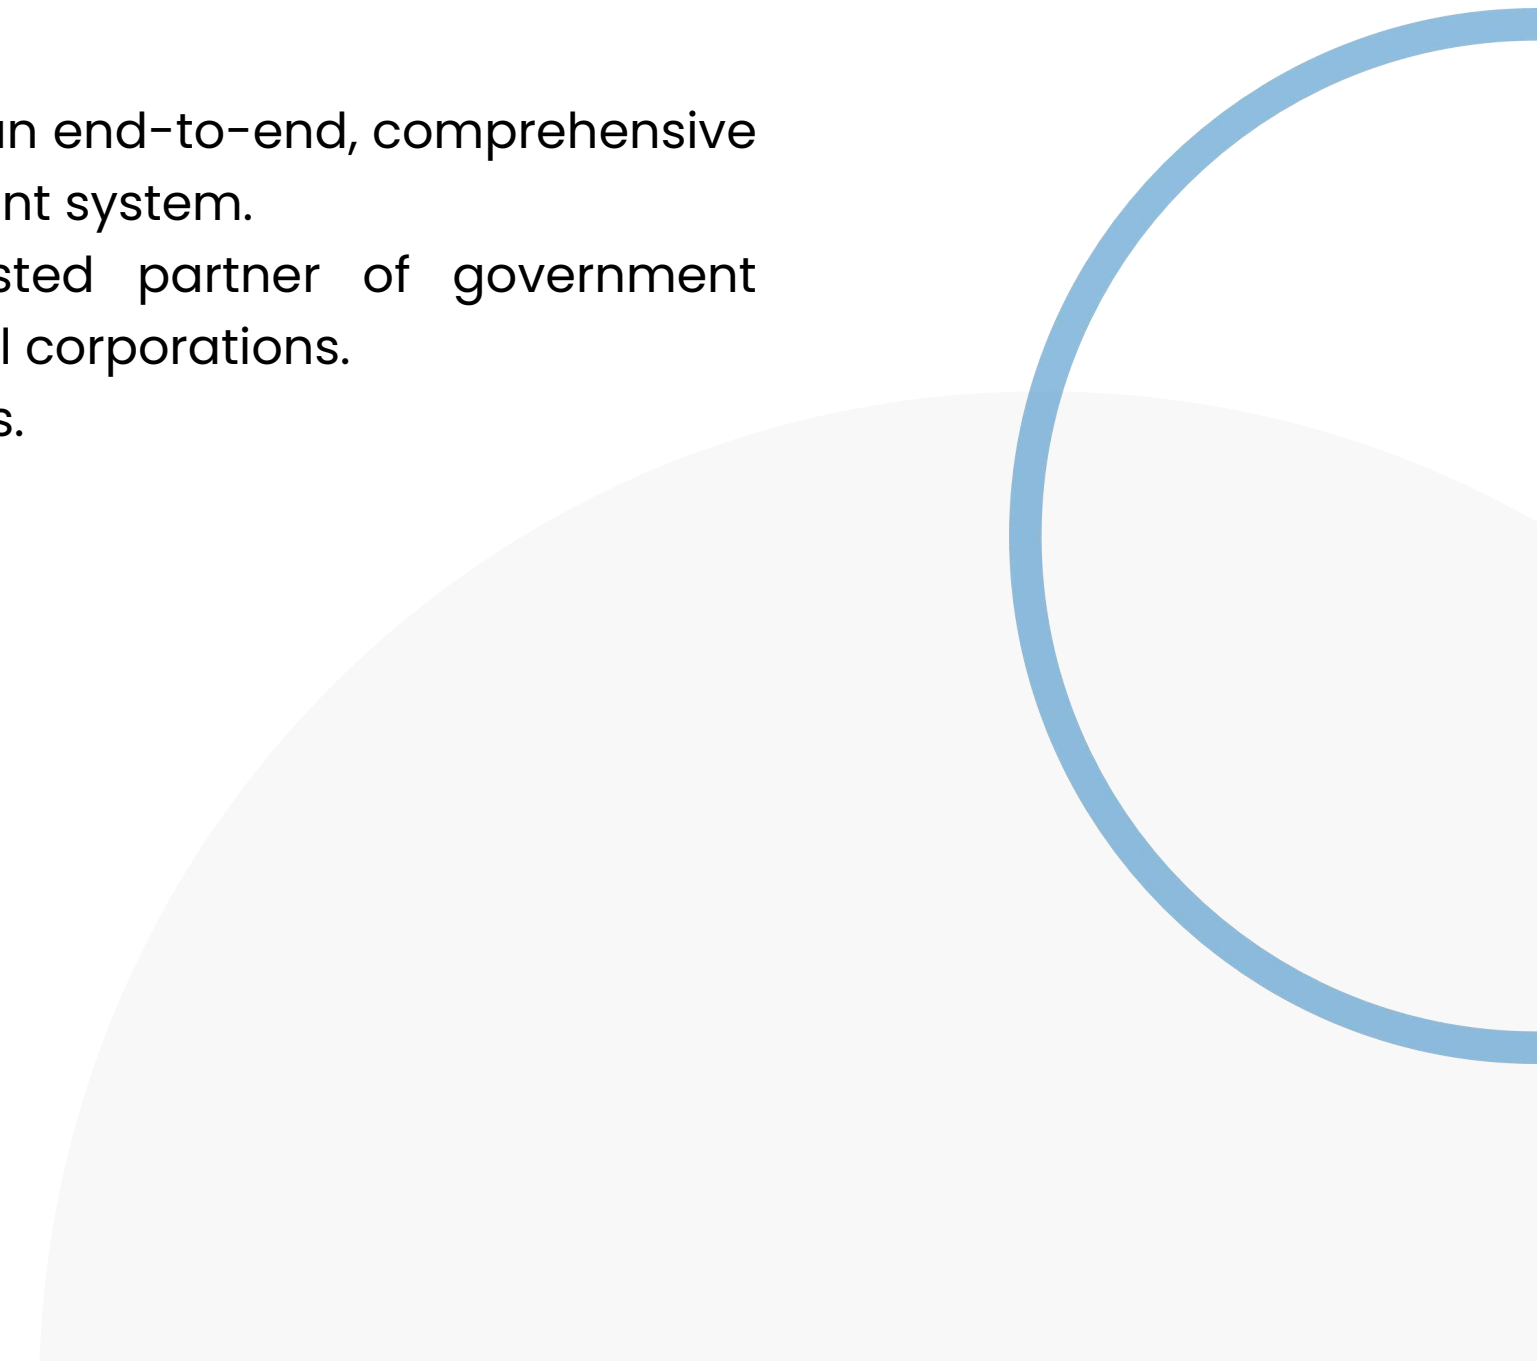

Our Mission

Evento's mission is to deliver an end-to-end, comprehensive and secure event management system.

To support and be a trusted partner of government institutions and leading global corporations.

Scalable for all types of events.

Why Evento

Proven Expertise

17 Years experience in Middle East event management.

Feature-Rich Platform

Comprehensive solutions for registration, data management, and attendee engagement.

Flexibility

Bespoke solutions, **customised** and **tailored** to the organisation and event objectives.

Reputation

The region's leading and **trusted** event solutions provider.
