
barchart + AgVend

Barchart and AgVend Empower Growers with **Streamlined Data Access**

Barchart's integration with AgVend empowers agribusinesses to build stronger relationships with their growers by facilitating streamlined access to cash bids, offers, and other essential information

MONITOR CASH BIDS

Enhance your decision-making capabilities and optimize your pricing strategy by actively monitoring cash bids in real-time.

MANAGE OFFERS

Enable growers with easy-access to their grain sales data at their fingertips allowing them to make offers direct to your merchandising desk.

EVERYTHING IS SYNCED

Seamless synchronization extends across your desktop system, your grower's portal, and your accounting data provider.
