WORK AT VG

Do you want the chance to work with **Lund's most wonderful foremen**?

Västgöta nation is run by students, for students. Here, many have met lifelong friends, and it is precisely the excitement of meeting new people while trying out to work with something you are passionate about that feels so rewarding and fun.

And if that wasn't enough, job seekers are also rewarded with either a thank you sitting or a meal ticket.

Thank you sittings are held on Wednesdays about every other week and always have different exciting themes!

Do you want to be part of a working team?

Västgöta Nation offers work teams for the Metro- and VEGA committees, where members work every third Wednesday or Saturday. The concept promotes a strong community and contributes to making Metro and VEGA the best nation clubs in Lund. When you start working, you receive "*stjärnjobbbarstatus*" with benefits such as queue priority and free entry every Wednesday you don't work. In addition, you get a "tacksittning" or foodticket after each shift, and the opportunity to end the semester with a amazing work party together with everyone who has worked throughout the semester.

THE FOREMEN

If you've tried working at the nation and you want to get even more involved, there's an opportunity to become part of our great foremen community.

It's thanks to these 90 enthusiasts that our nation thrives. In addition to the sense of community the foremen provides, you get the opportunity to develop your skills in everything from cooking, bartending, and photography to leading projects and collaboration.

Presale tickets are available on STUK. Valid ID and Student-lund membership are required (a payment receipt works too). If you’re a member of Västgöta Nation, you’ll always get half off the entrance fee!

SITTNING

Our popular “sittningar” (student dinners before the club) are the perfect place to celebrate graduations, birthdays, or any other occasion. To book a sittning, simply email pqs@vgnation.se.

If you’re curious about being on the other side of the bar, you also have the chance to work behind it or to help cook the dinner for the evening’s sittning! As a thank you, you’ll later get to join one of our amazing “thank you sittningar,” which include presale tickets to Metro!

HOUSING

VÄSTGÖTAGÅRDEN

Västgötagården is Västergötland's heart in the historic student city of Lund. The nation has existed in Lund since 1669, while our beautiful houses first saw the light in the spring of 1954. Västgötagården consists of three houses that are supposed to resemble a genuine farmhouse and today houses around 100 students and Västgöta Nation, which has its premises on the ground floor.

As a resident, you have access to a high-standard student accommodation with, among other things, a sauna and gym. As a resident of a corridor, there is a collective responsibility to take care of all public spaces, to help each other with cleaning and to take good care of the corridor and the house's belongings.

To apply for accommodation at Västgötagården, you must be a member of Västgöta Nation and fill out a form housing application that can be completed on the website. If you have any questions about the accommodation, you can talk with the house foremen during their expedition time, Tuesdays 17-18.

If you are a new student at VG, you also have the chance to enter a draw for a corridor room at Västgötagården! Ask more about this during our registration.

Finally, we would like to once again welcome you to Lund's best and nicest student accommodation!

Sincerely,
The house foremen
