

# ORIGIN DUCTWORKS

## ROUTER HOOD and with MAGNETS

Router Hoods, dimensionally similar to surface grinder hoods, are often used as a direct replacement with a standard 6in x 16in opening. They efficiently capture smoke, dust, and debris from router tables or other equipment, and are available with optional magnets for added versatility.

Øin.	Std. Weight Lbs.	With Magnets Weight Lbs.
3	2.40	3.40
4	2.85	4.60
5	3.00	5.50
6	3.20	6.40
7	3.50	7.25
8	4.00	8.50
9	6.20	12.40
10	8.50	17.00
