Silver Shoes is an award-winning explicit erotic trilogy that intertwines three short stories about the carnal power of what we wear. Fun, bittersweet, surprising, and intimate, the stories may or may not be connected. It's up to you to decide. In Undressed, AnnaBelle Lee discovers that her delicate friend Liandra Dahl is hiding a secret tough masculine side under her flowered clothes. In The Housesitter, a lonely young woman AnnaBelle has a surprisingly intense reaction to what she finds in the owner's closet. In Mimosa, Liandra hosts a brunch party and one of her guests brings a handsome friend Joost Smoss with fabulous shiny pants, but he is not what he seems. Blistering, erotic, and evocative, Silver Shoes sex scenes transcend the boundary between art film and adult film with their intense realism. Shot on location in Amsterdam, this film features an original music score by Paris composer Viktor von Daphodil, creating a truly immersive experience. With authentic sounds of pleasure, Silver Shoes is an erotic film for those who appreciate art. The DVD includes special features such as an on-set interview with Liandra Dahl and AnnaBelle Lee, a bonus deleted scene, private interviews, footage from the Feminist Awards, and behind-the-scenes content. Subtitles are available in multiple languages, including Dutch, Spanish, German, French, Italian, Swedish, Norwegian, Danish, and English. Reviews praise Silver Shoes for its capturing of real intimacy between actors, its beautiful production, poignant sexual exploration, and authentic orgasmic pleasure. The film's director has expanded the scope of what adult film can achieve, speaking to a wider audience with its sophisticated eye and narrative that explores relationships. Bell decided to mix arthouse cinema with hot explicit sex in her own work. With Blue Artichoke Films (Amsterdam), she creates erotic fiction films and documentaries that illuminate the riveting, intimate, and sometimes delightfully awkward side of sex. Her award-winning films have been embraced by film festivals, as well as by sexologists and educators interested in showing an enjoyably realistic view of sexuality –particularly female pleasure. Jennifer enjoys teaching DIY workshops to help others express their sexual fantasies creatively on film, and has taught classes all over the world from a squat at Ladyfest to the very traditional Dutch National Film Academy (NFTA). She was a co-director of the Rated X: Amsterdam Alternative Erotica Film Festival, and she curates porn/erotica exhibitions for places like the Museum of Sex/NYC, Cannes Lions, and the Red Bull Interesting Conference.
