I'm not a robot

The Beginner Course category on the Note Circle is filled with a variety of lessons and tutorials, catering to different interests and skill levels. From Basic Blues Improvisation to Foot Tapping, the options are endless. The JUSTIN Ear Training Exercises series offers a comprehensive approach to developing one's skills, while the Minor Pentatonic Pattern lesson provides a solid foundation for further exploration. Anchor Fingers for A, D, and E is another essential topic, helping beginners master the fundamentals of guitar playing. The Stage 1: One Minute Changes series offers a quick and effective way to improve technique, followed by more in-depth lessons on Country Roads and The A Chord Lesson on JustinGuitar. The Picking Individual Strings lesson provides an opportunity for players to focus on their technique, while All Down 4 to a Bar Strumming offers a unique approach to playing the guitar. The JUSTIN Ear Training Exercises series is also represented, with several lessons available to suit different learning styles. Throughout the Note Circle category, users can find a range of lessons and tutorials that cater to their specific needs and interests. Whether you're a beginner or an experienced player, there's something for everyone in this extensive collection of lessons and exercises.
