Edmonton Youth Orchestra Operational Procedure:
Musician Remuneration
Adopted November 10, 2025

About this procedure

As an ensemble dedicated to the training of young musicians it is imperative that we appropriately acknowledge the contribution of musicians that assist us in this goal.

Recommendations below provide operational guidelines to ensure consistency in the remuneration of professional and non-professional musicians engaged with the Edmonton Youth Orchestra.

Procedure

All professional musicians that assist the Edmonton Youth Orchestra in rehearsals/concerts are to receive payment per service. As such they are contracted and provide us with an invoice.

Any non-professional musician from outside of our organization that assists the Edmonton Youth Orchestra in rehearsals/concerts will receive an honorarium of $50 per service and offered complimentary tickets to the concert they perform in.

Senior Edmonton Youth Orchestra musicians that assist the Intermediate Orchestra in rehearsals/concerts are modeling and fulfilling a mentorship role and as such will not receive compensation.

- In addition to brass/woodwind players that may be tapped to assist, another example of this are our senior percussionists that perform in both ensembles.

Authority

- Edmonton Youth Orchestra Board
