Appliances

No matter the occasion, you're prepared with Gladiator® appliances. The All Refrigerator and Upright Freezer offer a bold look with convenient features like hands-free opening. Plus, the Garage Compactor provides easy mobility and helps keep trash from piling up.

17.8 Cu. Ft. Upright Freezer

GAFZ30FDGB – Black

The industry's only step-to-open upright freezer makes it easy to stock up when your arms are full. And even in extreme temperatures from 0°F to 110°F, our garage freezer keeps it all properly frozen. Ice maker not included and not compatible with ice maker kit.

17.8 Cu. Ft. All Refrigerator

GARF30FDGB – Black

The industry's only step-to-open all refrigerator makes it easy to stock up when your hands are full of party trays or a case of beverages. Plus, its robust styling fits right in with other Gladiator® products in the garage. Pair it with our Upright Freezer so you can also keep snacks and more properly frozen. Note: Refrigerator contents may freeze if room temperatures reach 32°F (0°C) or below. Monitor food and beverages frequently for freezing, freshness and taste when using the refrigerator in very cold locations.

Garage Compactor

GACP15XXMG – Silver Tread

Now you can have all the benefits of a trash compactor without taking up valuable kitchen space. The Gladiator® Compactor features rugged Gladiator brand styling complete with casters for easy mobility, while delivering superior trash management for your garage. It is perfect for minimizing the volume of trash, decreasing the number of trash bags used, and reducing the number of trips to the curb.

Beverage Cooler

GABC05FDKG – Silver Tread

- Garage-ready drink cooler that offers ultimate functionality, durability and flexibility. Built to handle up to 154 12-ounce (355 ml) cans and extreme outdoor temperatures (from 0-110 degrees Fahrenheit).
