

Terms & Conditions:

This competition is open exclusively to South African-registered businesses in good standing. To be eligible, the company must have attended the Multi-Media Showcase on 29 July 2025 at Montecasino Teatro. The company representative must have scanned the official QR code at the event exit and posted on LinkedIn using the phrase: Post a photo of the event with the caption *'We're moving into the future of Events'*, tagging Multi-Media, and including the hashtag **#TheFutureOfEvents**. One entry per individual. Entries failing to meet all conditions will be disqualified.

The winner will be selected through a randomised draw and notified via email to the company's Head of Marketing by 30 August 2025. The prize includes a once-off event valued up to R1 000 000, redeemable solely for Multi-Media's core offerings: Event Management, Event Consultation, Creative Design, Content Development, and Technical Production. The value will be calculated using Multi-Media's standard rate card. The prize does not include third-party supplier costs such as venues, décor, catering, permits, entertainment, or travel — these must be covered by the recipient.

The event must be scoped, confirmed, and delivered within 12 months from the date of the winner announcement. Event production is subject to Multi-Media's operational availability and resource capacity. The scope and execution of the event will be aligned with available budget, company calendar, and a pre-production planning session between the winning company and Multi-Media.

This prize is non-transferable, non-refundable, and may not be exchanged for cash or credit. If the winner is unable to claim or use the prize within the 12-month period, the prize will be forfeited.

Multi-Media reserves the right to:

- Validate all submissions and confirm compliance with eligibility rules.
- Amend or cancel the competition due to force majeure or operational constraints.
- Withdraw the prize if the winner breaches any competition conditions or acts in bad faith.

Multi-Media shall not be held liable for any direct, indirect, incidental, consequential, or punitive damages arising from participation in the competition or use of the prize, including but not limited to production

delays, service availability, or reputational or commercial loss. The winning company assumes responsibility for all third-party costs, approvals, and compliance linked to the planning and execution of their event.

By entering the competition, the participant consents to Multi-Media's use of their company name, logo, and public LinkedIn competition post for marketing, promotional, and reporting purposes. All personal and company data collected will be managed in accordance with the Protection of Personal Information Act, 4 of 2013 (POPIA).

Any dispute relating to this competition will be resolved in accordance with South African law. Should arbitration be required, it will take place in Johannesburg under the guidance of a neutral third party agreed to by both parties.
