

Westminster[~]Canterbury
SHENANDOAH VALLEY
Connected for Life

Life at Shenandoah Valley Westminster-Canterbury can be everything you want it to be. You'll have more opportunities to do the things you enjoy with people who enrich your life. You'll also have greater peace of mind with a plan in place for future care, if ever needed.

If you're planning a move to our community within the next two years, you can move up the list to be notified when a residence becomes available by joining the Westminster Club. In addition, you can start enjoying the SVWC lifestyle right away. Dine in our restaurants, work out in the fitness center, and feel more connected to our community before you move in.

Become a **PRIORITY.**

As a Westminster Club member, you'll be among the first to be notified about available residences, and you'll enjoy exclusive privileges not available to the general public, including:

Receive priority notification of vacancies.

- Priority is based on the date of Westminster Club membership.
- Westminster Club members will be notified of vacancies after residents on the internal waitlist have been contacted but before the list of Future Residents.
- For transfer from the Future Residents list, a new priority date will be established based on the time of membership activation.
- You can be selective about your preferred floor plan. Westminster Club members are allowed two declines before rotating to the bottom of the Westminster Club list. A new priority date will be established at that time.

Start enjoying the SVWC lifestyle right away.

- Dine at our restaurants, including the Canterbury Dining Room, Canterbury Café, The Bistro, and Morgan's Tavern.
- Gain access to our Vitality Center. Swim in our heated saltwater pool, relax in the hot tub and sauna, work out in the gym, and participate in fitness classes.
- Attend community activities, programs, and events. Get to know your future neighbors and staff members and feel more connected to the community.

Join the club TODAY.

The Westminster Club is open to individuals who wish to begin the admission process within three to 24 months.

- Reserve your place in line with a \$20,000 fully refundable deposit. The deposit will be applied to the entrance fee at the time of admission.
- A preliminary cognitive and financial assessment is required and does not supersede required assessments before admission.
