LEGACY GIVING: LEAVING A LASTING IMPACT

A legacy gift is one of the most meaningful ways to support the causes you care about and ensure your values live on for generations to come. By including Shenandoah Valley Westminster-Canterbury Foundation in your estate plans, you can help provide financial security for residents, support employees pursuing education, and fund programs that enhance the well-being of older adults.

Legacy giving allows you to make a lasting impact without affecting your current financial needs. Whether through a bequest in your will, a beneficiary designation, or another planned gift, your generosity can create a brighter future and leave a legacy of compassion, care, and purpose.

To learn more about legacy giving opportunities, please join Julia Connell, CFP[®], MSFP, Managing Director at United Capital Financial Advisors for our planned giving seminar scheduled for August 12, 2026 at 2 p.m. in the Activities Room.

Looking forward to seeing you there.

To learn more about the SVWC Foundation, visit the *Giving* page at svwc.org to explore our mission, learn about the Foundation's various funds, discover the impact of your generosity, and find easy ways to make a gift.

Together, we can continue enriching the lives of older adults and those who care for them.
