A formal play area or a NEAP (Neighbourhood Equipped Area for Play), LEAP (Localised Equipment for Play) and a LAP (Local Area of Play) are proposed through the scheme. A variety of equipment is offered to stimulate different types of play like climbing, balancing, swinging, sliding, rocking and rotating for a Description range of ages.

A 2m high safe top fence will be installed around the perimeter of the site along with appropriate safety surface to comply with health and safety guidelines. Allow for a PC Conc high back kerb 100mm wide x 450mm long set in concrete haunching and foundation(Mix C35) along this side of play area to allow for adjustment in path level outside. To retain between 150 - 350mm approx.
