At its core is a world-renowned spa, where the Lefay SPA Method blends Classical Chinese Medicine with modern Western science to restore balance and overall wellbeing.

WEIGHT PROGRAMME

REBALANCE AND RESTORE THE FREE
FLOW OF ENERGY AROUND YOUR BODY

The Lefay SPA Method Weight Programme is a curated five or ten-night stay at Lefay Resort & Spa Lago di Garda with a focus on rebalancing the body, changing nutritional habits, and the long-term benefits of a healthy lifestyle.

There is no “magic” solution for weight loss. Western studies have shown that programmes based on the idea of diet as a “deprivation” or “constraint” is not only ineffective, but also detrimental to health. Lefay SPA philosophy underlines the importance of “consciousness” within a diet and in one’s lifestyle.
