

JADEN BRAZOS

UX Designer

412-334-3202 | Jbrazos26@outlook.com

Specializing in human-centered design, aiming to create accessible interfaces that improve clinical workflows in medicine to benefit both patients and medical personnel.

Education

Arizona State University — B.S. in Graphic Information Technology (UX)

Tempe, AZ | Jan 2023 - Dec 2025

University of Pittsburgh — Post-Baccalaureate Premedical Studies

Pittsburgh, PA | Jan 2026

American Physician Scientists Association (APSA) — Mentee

Mentorship Program | Oct 2025 - Present

Experience

Allegheny General Hospital (AHN) — Patient Care Technician (Orthopedics 10A/C)

Pittsburgh, PA | October 2025 - Present

- Provide direct, hands-on care to a high volume of patients, focusing on complex trauma and spine rehabilitation cases, gaining crucial insight into the physical and emotional challenges faced by patients.
- Manage and documented patient vitals, clinical observations, and electronic health records (Epic Hyperspace), fostering a direct understanding of clinical workflow efficiencies and the usability of health IT systems.
- Collaborate daily with nursing staff and physical therapists, contributing to the interdisciplinary care team.
- Developed an understanding of daily patient mobility for individuals with restrictive movement (e.g., spinal injuries), learning to prioritize safety, empathy, and efficiency when assisting patients with essential daily care. This provided a deep appreciation for Human Factors in high-stakes clinical decision-making.

M7 Agency — Web & UX Designer

Beaver, PA | May 2024 - July 2025

- Led end-to-end development of a new in-house company website, owning all front-end and back-end aspects to enable the successful launch and daily operation of a sports facility.
- Integrated third-party software tools, including CRM and e-commerce platforms, to expand site functionality and streamline processes, ensuring the business remained flexible and scalable.
- Managed research, wireframing, and prototyping for client web projects, ensuring client goals and expectations were met, leading to positive client feedback.

Graphic Design Intern

Beaver, PA | May 2022 - May 2024

VOLUNTEERING

Connecting Champions

AYA Advisory Board

October 2024 - Present

- Collaborate with fellow AYA board members to develop new ideas to recommend improvements to help better serve adolescents and young adults in active treatment and survivorship.

Mentor

September 2025 - Present

- Serve as a mentor, providing strength, inspiration, and career insight to individuals navigating complex survivorship challenges, discussing academic struggles, side effects, and overcoming adversity.

National Advisory Board

October 2025 - Present
