WHAT IS STEIGER?

STEIGER MOBILIZES FOLLOWERS OF JESUS TO REACH YOUNG PEOPLE WHO WOULD NOT WALK INTO A CHURCH.

What started out as a dynamic ministry reaching young people of Amsterdam has grown into a worldwide mission organization active in over hundreds of cities around the globe.

TODAY, WE BRIDGE THE GAP BETWEEN THE CHURCH AND THE GLOBAL YOUTH CULTURE BY

- ✗ Mobilizing the next generation of Christian leaders and influencers to impact secular culture
- ✗ Establishing long-term missionary teams that reach and disciple the Global Youth Culture
- ✗ Training the Church to reach the secular culture of their communities

2. WHY DO I WANT TO START A MVMT?

YOUR CITY NEEDS A MOVE OF GOD.

Our hearts should break for young people hurting & pursuing things that will never satisfy them. But WE can tell them that in Jesus they can find hope and purpose.

STEP OUT IN FAITH GROWING IN YOUR RELATIONSHIP WITH GOD.

When we take risks going out of our comfort zone, we will experience God moving in our lives like never before.

BUILD A COMMUNITY

Build a community with other followers of Jesus that want to see Him move in their city. You don't have to do this alone, together we are stronger.

MOBILIZE AND ENCOURAGE THE CHURCH.

We want to inspire & serve the local church as we go out to reach young people who are far away from God.

GOD CAN USE YOU TO TRANSFORM YOUR CITY.

All you need is a "yes" and a willing heart to persevere.
If He is moving in my city why wouldn't He move in yours too?

3. START REGULAR STREET ACTION?

How can they believe in one they've not yet heard of? And how can they hear the message of life if there is no one there to proclaim it? And how can the message be proclaimed if messengers have yet to be sent? Are we not all these messengers to be sent?

We believe that the sharing of the Gospel is a fundamental part of everyone's walk of faith, but so often it has been presented as something reserved for an elite task force or in ways we rarely identify with.

With Steiger we have seen a movement of young believers stepping out in faith to bring the gospel to the streets using these 3 principles:

CREATIVITY

Through dance, music, art and creative ice breakers, we open up deep conversations on the meaning of life, the search for purpose, true freedom and Love.

COMMUNITY

And as a community we step out together, having each other's back because alone we go fast but together we go far. We pray for one another, complement each other's giftings and capacity and support each other through hard conversations.

HOLY SPIRIT LEAD RISKS

Through the empowering of the Holy Spirit we take risks. We preach the cross openly, and seek his voice to know what and how he wants to speak and act in specific conversations and situations.

It's not our words and our own capacities that bring change. It is through the working of the Holy Spirit that people are drawn to his presence! So our burden is light and our yoke is easy as it is Jesus that saves. Are you willing to step out in Faith and see the impossible happen? Ask God who he has placed in your life to be doing this with, and then Go!

4. DISCIPLESHIP RELATIONSHIP

You went out on the streets, someone prayed to receive Jesus or you had a good conversation and developed a connection with the person you talked to. Then the outreach was over and you never see that person again, that's a shame no?

WHY IS IT IMPORTANT TO STAY IN TOUCH WITH THE PEOPLE WE MEET ON THE STREETS?

Street action is a channel to discipleship.

People aren't projects, people are sons and daughters of God.

The goal isn't only to get as many people to receive Jesus as possible, the goal is to make as many disciples of Jesus as possible.

That is why our aim is to make friends and walk with them on their journey with Christ.

HOW CAN WE DO THIS?

Most people won't come to a church even if they are invited, but We can do this by exchanging contact information and going out for coffee. Continue the conversation after outreach. Use our Steiger [IsThereMore](#) [discipleship resources](#) to start a group or community space

Where the people we meet can continue thinking, talking and being part of a community in a place they are familiar with.

In the next chapter you will find an explanation of bible studies for non religious.

5. HOW TO RUN A BIBLE STUDY FOR THE NON RELIGIOUS?

Bible studies for the non religious sets the stage for honest and deep conversations exploring Jesus together, it's a great way to disciple someone and to get to know someone better.

NON-religious bible studies A Bible study for the non-religious is about discipling non-believers in a loving, relational way!

HOW DO YOU DO IT?

Find a good location to host the bible study, it should not be in a church or a 'religious' space. Invite them to a coffee shop, library or a park.

Pick a bible text to talk about, give context to the group and prepare good questions related to the chapter.

Make sure the text talks about Jesus and what He is like, making the character of Jesus and what He is teaching the center of the conversation.

Be a host not a teacher!

Listen and ask a lot, create an open and safe space with room for everyone's observations and thoughts. Talk about how you can implement the things you have learned into your own life.
