

VIGILE TECH SPECS

VIGILE DEVICE OVERVIEW

GUARANTEE ON CONFIDENTIALITY

The Vigile Secure Phone is designed from bottom up with security as its priority.

The device is equipped with a state-of-the-art switch that disconnects the microphone and cameras on a hardware level.

By seamlessly disabling the microphone and cameras, users can have a guarantee that those are only active when you need them to be.

The device is compact and elegantly designed using a combination of pure aluminum and glass components.

Vigile is powered by Secure OS, delivering highest level of mobile security available on the market.

TECHNICAL SPECS

PLATFORM	CPU	Octa-core 4x Cortex-A73 2.1 GHz + 4x Cortex-A53 1.95 GHz
OS	OS version	Secure OS 5.x
	Languages	English, French, Spanish, Czech, Danish, German, Estonian, Filipino, Croatian, Indonesian, Italian, Latvian, Dutch, Polish, Portuguese, Romanian, Slovenian, Slovakian, Swedish, Turkish, Greek, Bulgarian, Serbian, Ukranian, Russian, Arabic, Hebrew, Japanese, Mandarin
MEMORY	RAM	8GB
	Storage	128GB native (TF card storage expansion up to 256GB)
DISPLAY	Main display	6.43" OLED (1080x2400)
	Screen type	FHD with repel finger print coating (tough Panda Glass)
	Display mode	Color LCD, transmissive, normal black
CAMERAS	Rear cameras	64MP main + 13MP telephoto + 8MP wide-angle
	Front camera	25MP
BATTERY	Battery Capacity	4,000 mAh
	Charging	High Speed Charging 9V /2A , 3.0+PE MTK protocol
CONNECTIVITY	SIM Card Type	Dual SIM, Nano+nano/TF
	WI-FI	2.4G / 5G
	Bluetooth	Bluetooth 4.2
	Extra connectivity	VoWIFI/VoLTE, GPRS, EGSM, WAP, EDGE
	4G LTE bands	B1/B3/B4/B5/B7/B8/B12/B17/B20/B28A+B/B19/B26/B34/B38/B39/B40/B41
	CAT	CAT-6
SERVICES AND CONNECTORS	Sensors	GPS, OTA, FM Radio, Fingerprint, Gravity induction, Distance, Light, Magnetic, Gyroscope, Hall, NFC
	Cable connector	USB type-c
	Microphone	Dual microphone
PHYSICAL	Buttons	Power button (fingerprint sensor), Volume UP/DOWN, Mic/camera switch, Software switch
	Dimensions	158.6 x 73.5 x 7.8mm
	Weight	182g
	Components	Glass rear panel, solid aluminum frame and buttons
	In the box	USB cable type-c , Phone case, SIM ejector tool, manual
