

A Trusted Choice for **EQUIPMENT BREAKDOWN & SERVICE LINE COVERAGE**

Keep your home running smoothly with coverage to repair appliances and service lines – without draining your wallet.

Ask your agent about adding one of Florida Peninsula's premium packages to your policy.

This simple, affordable coverage can spare you thousands in unexpected repair bills and save you from pricey utility service plans.

\$50

per year

Coverage for the systems that keep life moving

Equipment breakdown coverage helps when your appliances or systems are suddenly and accidentally damaged – beyond normal wear and tear. What's covered includes:

- Central AC
- Household appliances
- Computer equipment
- Emergency generator
- Personal electronics
- Water heater
- Security systems
- Well pumps

Choose Your Own Contractor

No Age Limits on Equipment

\$30*

per year

Protection for the service lines working out of sight

Service line coverage helps pay for the repair or replacement of buried lines on your property – the ones you're responsible for – including:

- Water lines
- Electronic lines
- Sewer lines
- Fiber optic or cable lines
- Drainage lines
- Phone lines

Affordable Premiums

No Monthly Utility Service Plan Needed

*Service line coverage is only available when you purchase equipment breakdown coverage. The total price for both coverages is \$80/year. Condo owners may only purchase Equipment Breakdown coverage. Equipment Breakdown & Service Line coverage is not available for Renters.
