

Unique event space in the heart of Bristol's innovation ecosystem

Conferences

Meetings

Networking and team days

Science Creates Old Market, Bristol

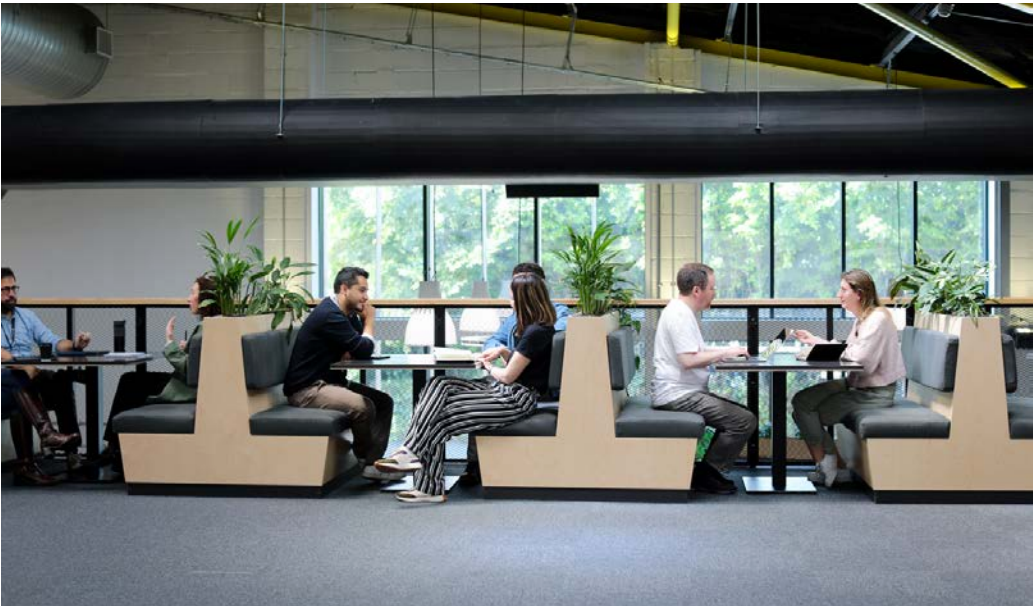

Enquire now

Our event spaces

H₂O  60-person capacity

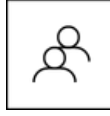

Mezzanine  100-person capacity

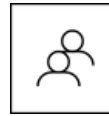

1023 Bar  100-person capacity

Learning Lab  30-person capacity

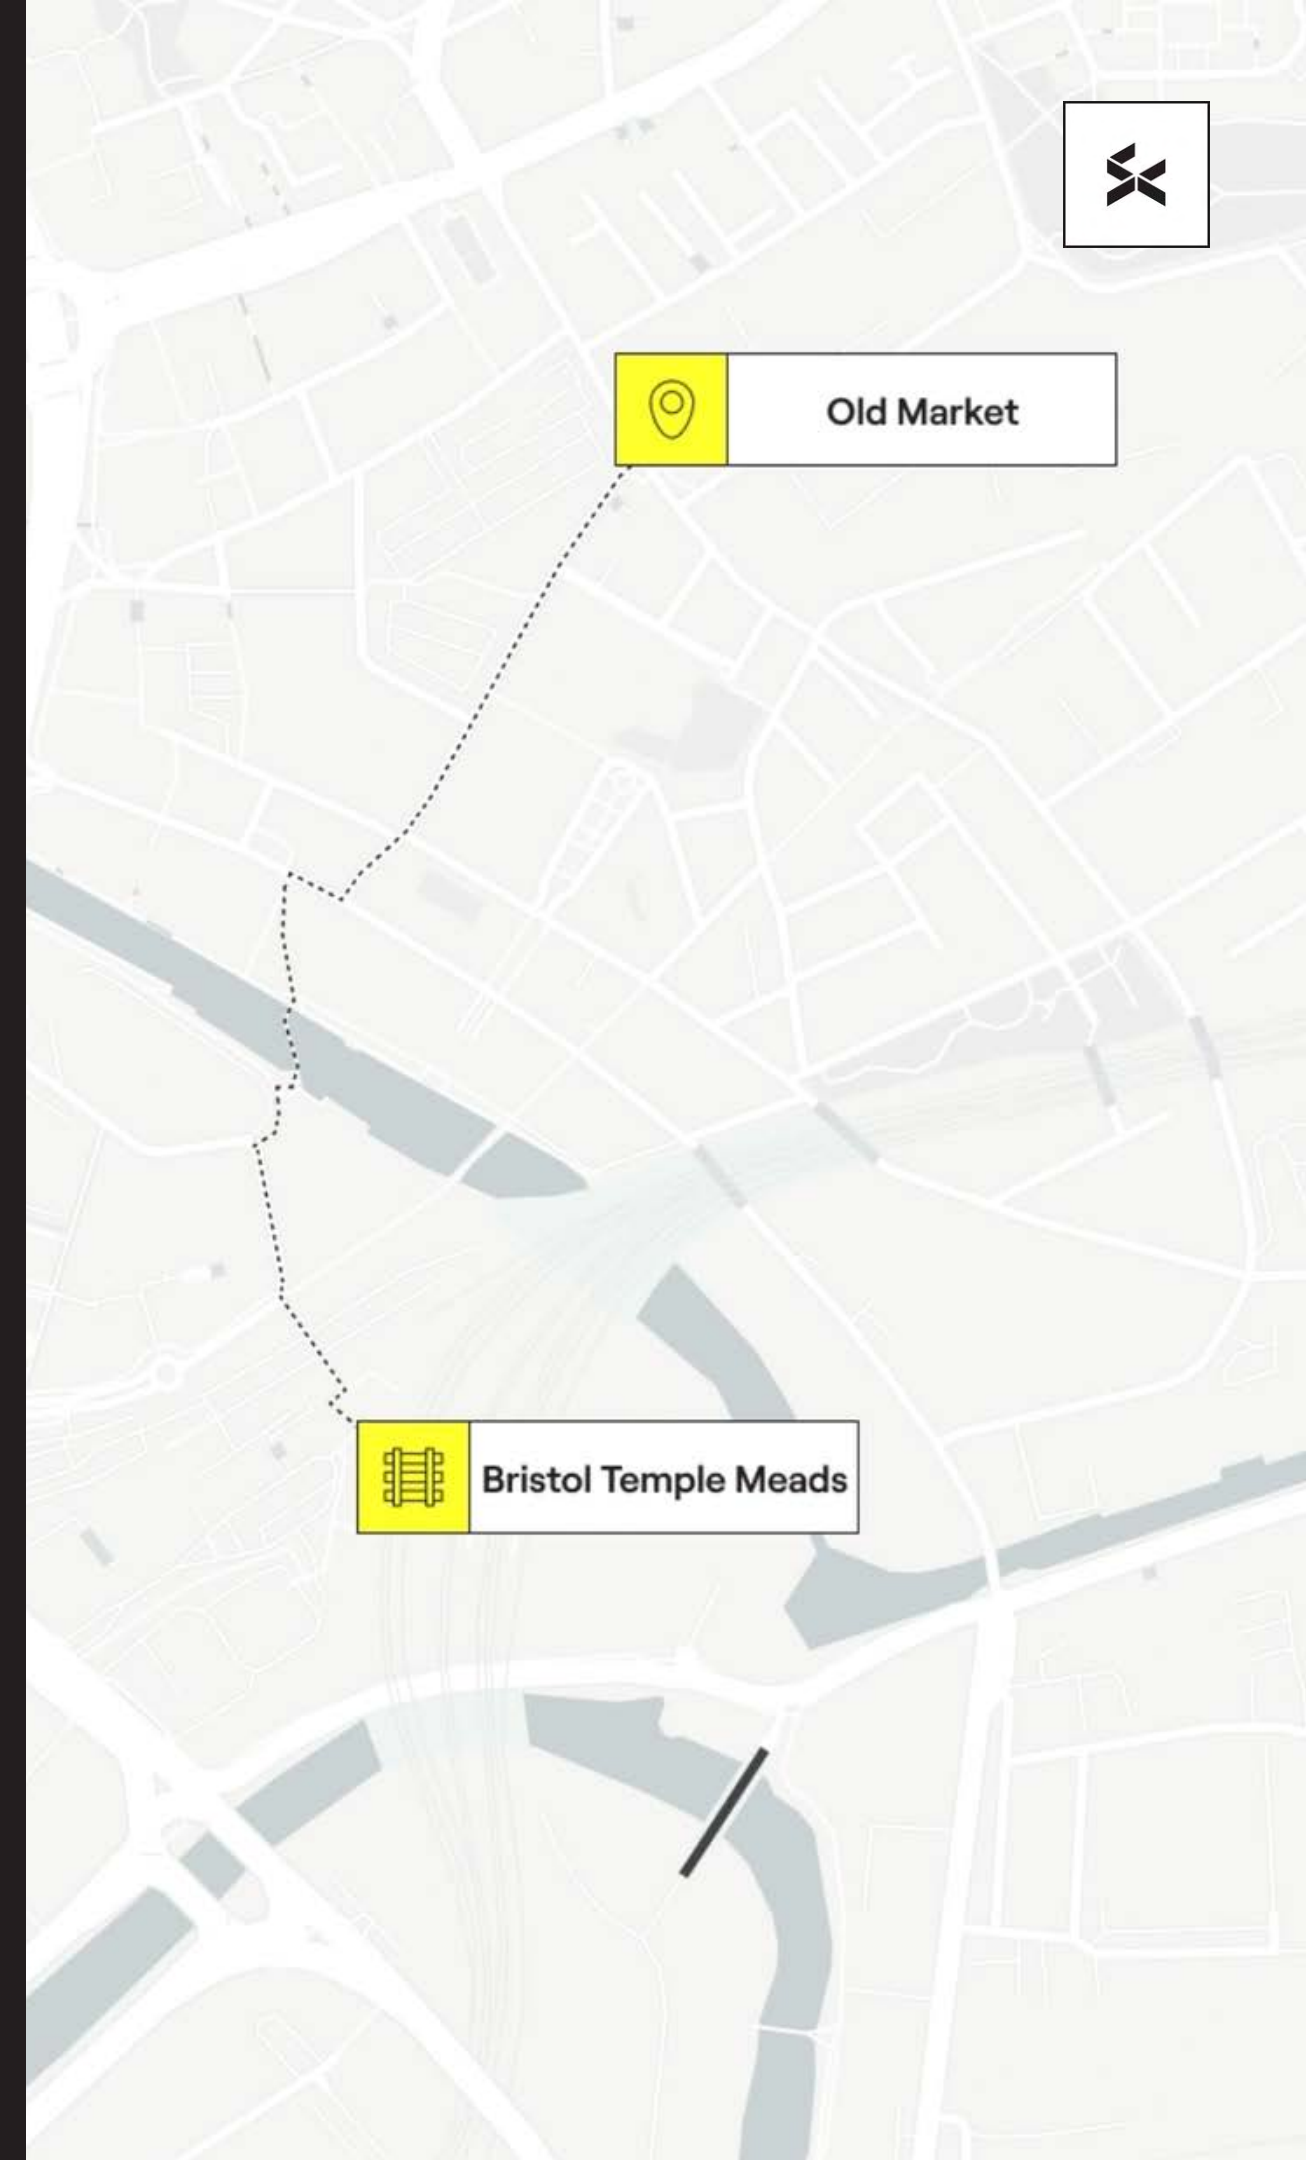

Meeting rooms  10-person capacity

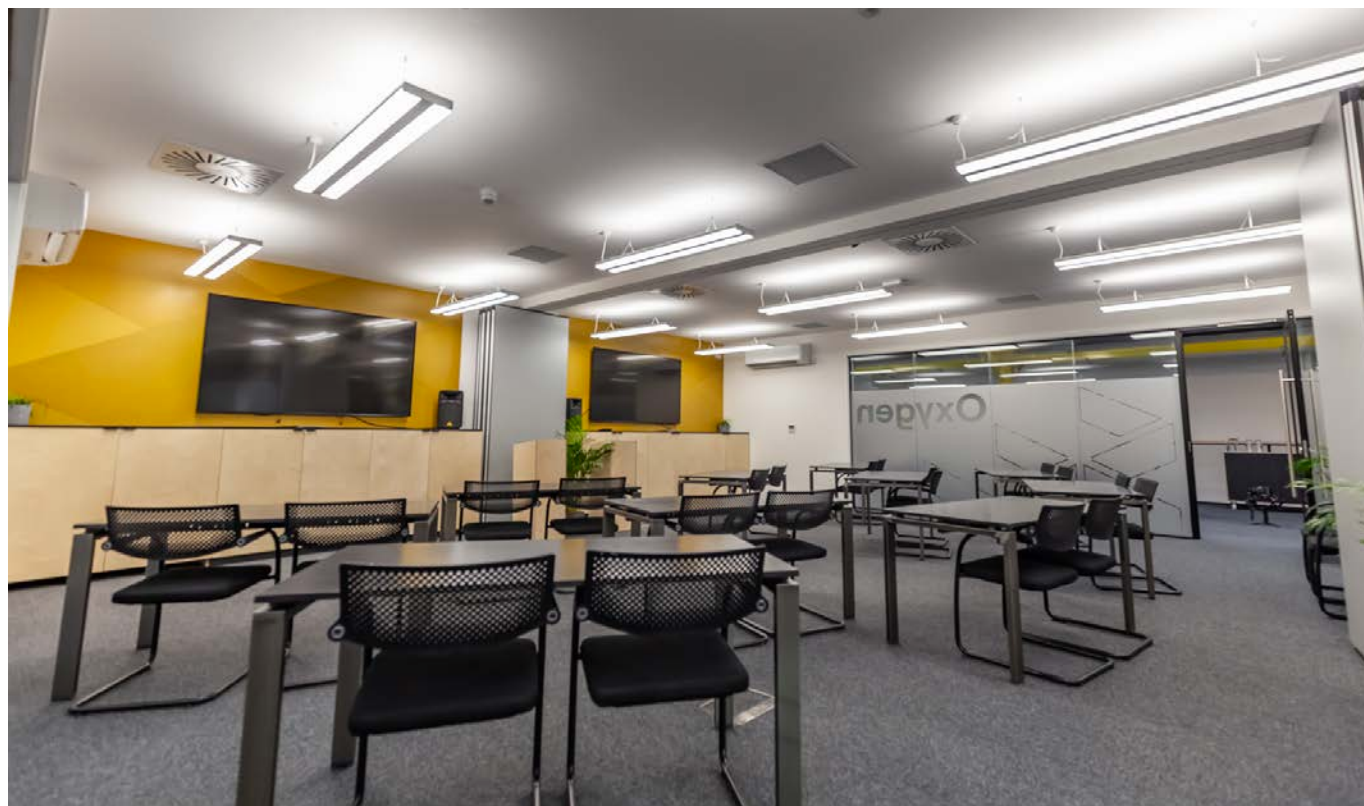

Location

10-minute walk from Temple Meads train station, in our Old Market Incubator.

Our event space is surrounded by active research labs, where our member companies are performing groundbreaking R&D — from genetically engineering red blood cells to cure rare diseases, through to making coatings from algae that replace plastic — making it a great place for an inspiring day out of the office.

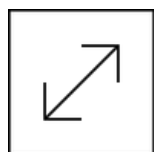

Our conference space

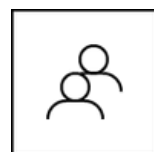

H₂O

A modern, naturally-lit & sound-proof meeting and conference space with AV set-up and flexible layout options. Lift accessible.

795 sq ft

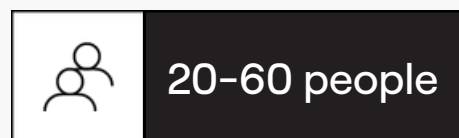

60-person capacity

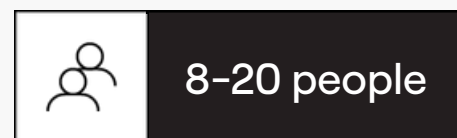

H₂O conference space set-up options

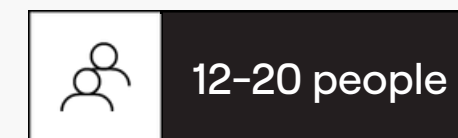

Theatre style

Suited for larger audiences — ideal for keynote talks, panel discussions and speaker-led events.

Board room

Best for focused meetings and roundtable discussions. Divider wall can be used to split room into two.

U-shape

Enables more participant interactions, well-suited for workshops and training sessions.

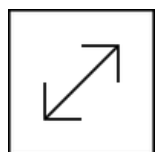

If you're a smaller group, you can book just half the space (which includes one screen & AV set-up) and we'll unfold our divider wall for you.

Our breakout space

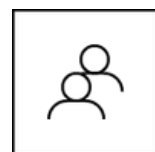

The mezzanine

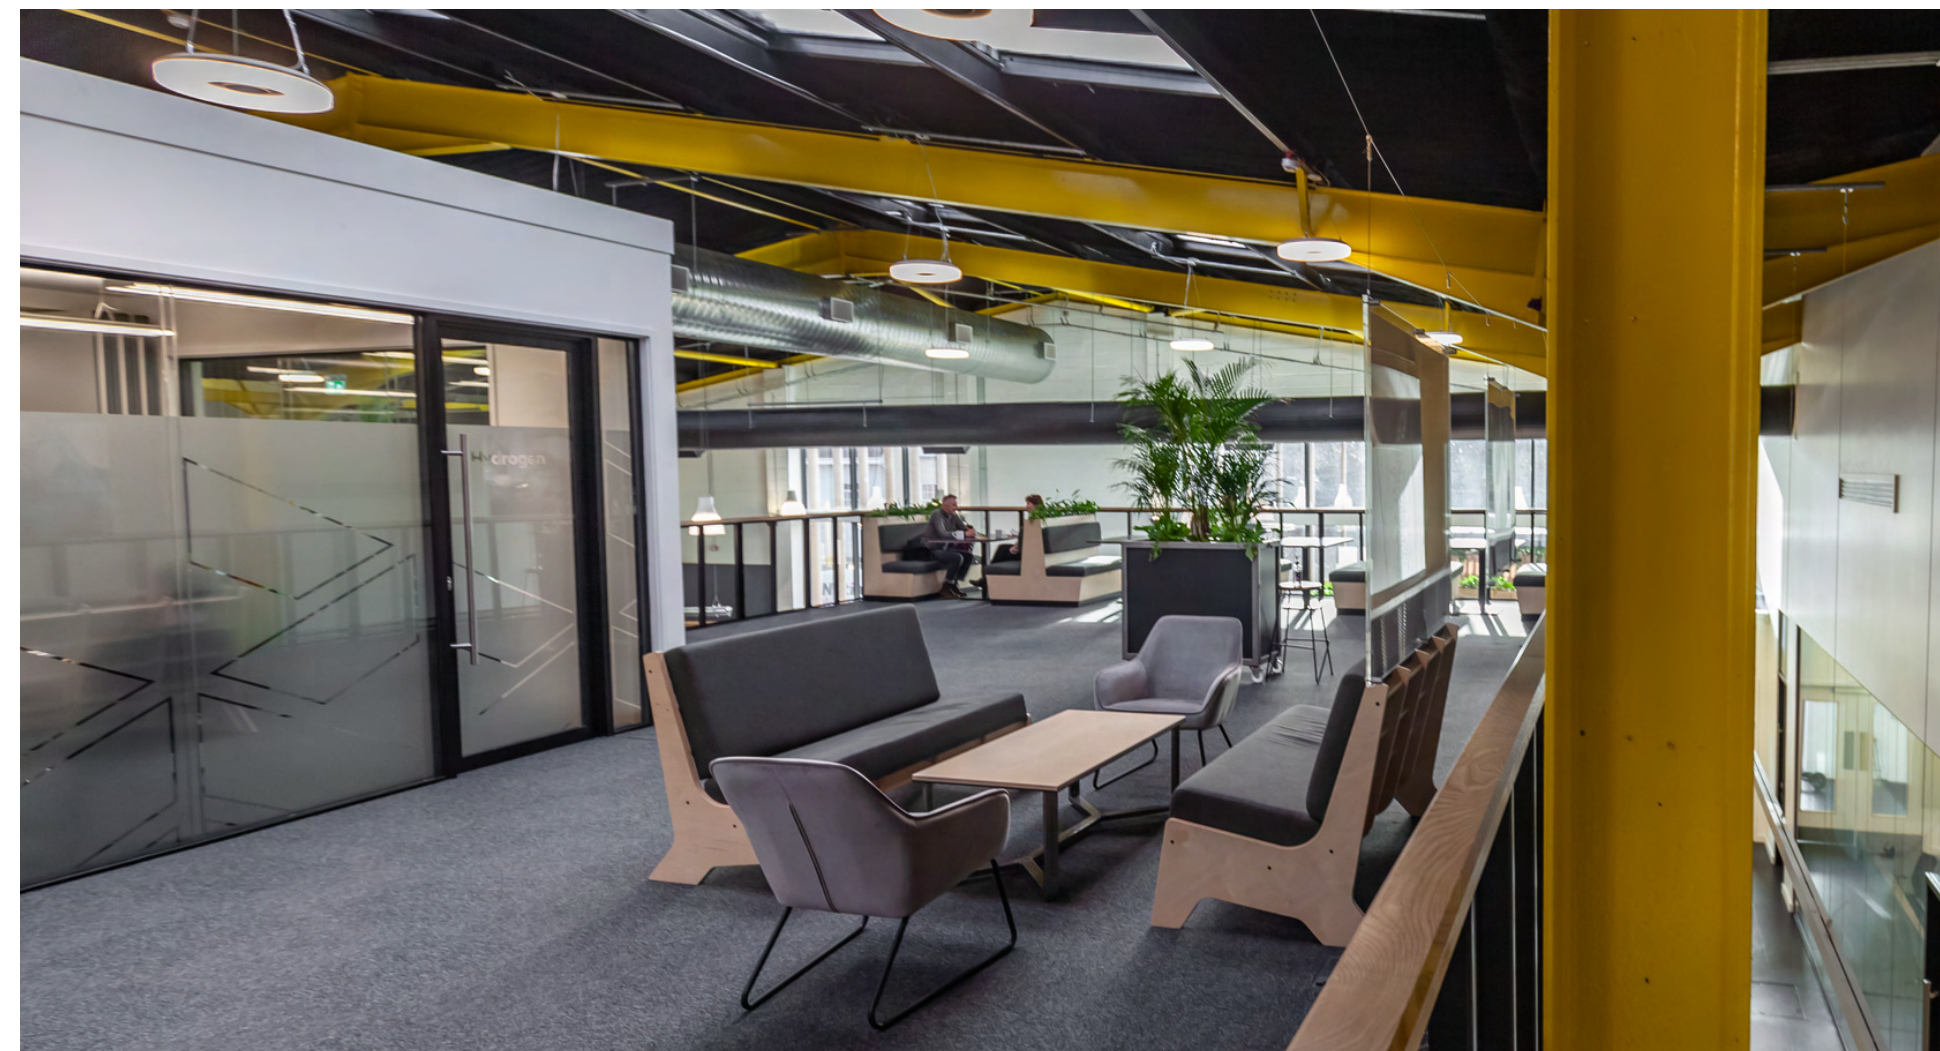

Surrounding H2O is our open plan first-floor mezzanine, ideal to socialise or relax between meetings, and for coffee and lunch breaks.

2,170 sq ft

100-person capacity

H₂O conference space hire options

Enquire now

Space option	Length of hire	External rate –single day rates	Science Creates member rates
Large H2O conference space + mezzanine breakout space Maximum capacity 60 people	Full day 9am–5pm	from £1,000	from £750
	Half day 9am–1pm or 1–5pm	from £550	from £400
Medium H2O conference space + mezzanine breakout space Maximum capacity 30 people	Full day 9am–5pm	from £600	from £400
	Half day 9am–1pm or 1–5pm	from £350	from £250

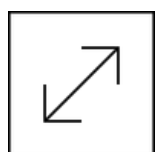

Prices are a guide and may vary during peak days (Weds and Thurs) and during busy periods. Prices are exclusive of VAT valid for July 2026 – July 2027, with booking subject to discretion by the Science Creates team and availability of the space. Multi-day discounted rates are available when booking an event lasting more than one consecutive day, or multiple bookings made at the same time across different dates. A 25% deposit is required to secure your booking.

Our networking space

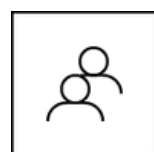

1023 Bar & atrium

A unique, naturally-lit networking space with a double-height ceiling. Includes a fully-licensed bar, serving locally-brewed draught beer and a range of refreshments.

1,166 sq ft

100-person capacity

Bar 1023 and atrium – private hire options

Space option	Length of hire	External rate –single day rates	Science Creates member rates
Full private hire of the bar and atrium (*Weekdays, <u>excluding</u> Thursday)	4 hours **standard 16:00–20:00	£800	£600

Prices are exclusive of VAT valid for July 2026 – July 2027 only. A 25% deposit is required to secure your booking.

*Our bar is open to our members every Thursday and therefore is only available for private hire Monday, Tuesday, Wednesday and Friday. Should you wish to hire our bar Thursday, this may be possible at a discretionary fee provided member access is not disrupted.

**Our typical bar hire is from 16:00–20:00 but may be adjusted; bookings beyond 22:00 require a license extension that can be accommodated with a minimum of 8 weeks’ notice and an additional charge.

A 25% deposit is required to secure your booking.

Catering (optional)

For an additional cost, our Front of House team can provide teas and coffees out on the mezzanine.

We also have an excellent external caterer who provides a delicious range of hot and cold food options (subject to availability).

Prices

- Tea and coffee: from £6/person
- Lunch: from £22/person (minimum of 20 people), set up on the 1st floor breakout space

“ Science Creates greatly supported the Science and Technology Venture Capital Fellowship when we visited the Bristol ecosystem to explore the venture capital and innovation development ecosystem.

Besides their **beautiful event space** and their **top-notch catering**, we also tapped into their network within the ecosystem to identify relevant speakers. We had a fantastic experience with the team and we **100% recommend** them to anyone organizing ecosystem engagement activities in Bristol. ”

– Edwin Ajogun, Royal Academy of Engineering

FAQs

What type of events can I host?

Our event spaces are suitable for private events, such as workshops, small conferences, training days, board meetings and off-site days.

You may also use the space for public events, subject to approval by Science Creates. This can include the hire of our on-site bar and support from our experienced team.

Can I use my own caterer?

All catering must be arranged via Science Creates. We have a range of options fit for all event or meeting types and budgets. Our fully-licensed bar is available for hire, serving alcoholic and non-alcoholic drinks. Get in touch for full options and pricing, bespoke to your event.

FAQs

How much notice is required?

In general, we ask for a minimum of 6 weeks' notice for booking conferences and events, to guarantee that our team can fully support your event and ensure catering can be arranged. However, our team will always aim to accommodate your event at shorter notice, subject to availability.

Meeting rooms can be booked at short notice, although we recommend a minimum of 2 weeks before your booking date if small-scale catering, i.e. a self-serve business lunch, is required.

Can you support with event delivery?

Yes. Our team is highly experienced in delivering strategic events and can assist with sector knowledge, local networks, event design and delivery. Additional event support beyond standard venue hire and catering can be provided as an add-on for a bespoke rate depending on your needs.

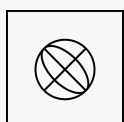

We look forward to hosting you at Science Creates Old Market
