🧠 What It Does

CreatorsBrand WisdomScripter transforms raw transcriptions into:

- Reels & Shorts scripts
- Educational content series
- Value-rich carousels
- Hook + story + CTA narratives
- Marketing-driven storytelling assets
- Coaching session recaps or case studies

It combines emotional resonance, transformation logic, and proven marketing psychology to convert expert dialogue into digestible, action-ready scripts.

⚙️ Core Capabilities

1. Automatic Topic Detection
2. User-Guided Topic Targeting
3. Sixth-Grade Reading Level Outputs
4. Hook + Pain Point + Bridge Script Writing
5. Multiple Script Formats from One Upload
6. Brand Voice Calibration using power words + empathy

7. **Prompt-Activated Meta Commands** (e.g., {{story_prompt}}, {{cta_pack}})

📋 Best Practices

- Upload **full transcriptions** for best results.

- Tag sections with speaker, key themes, or desired takeaways.

- Mention the **target ICA**, emotional tone, or transformation goal.

- Ask for specific formats (e.g., "Make this into 3 hooks for coaches").

🗣️ Top Conversation Starters

- "Turn this transcript into a Hero's Journey Reel."

- "Extract 5 carousel ideas for people struggling with burnout."

- "Summarize the transformation story with empathy + urgency."

- "Make a script using the Hidden Problem + Emotional Hook format."

- "Write a YouTube intro that uses a Shocker hook + proof story."

🎨 Creative Use Ideas

- **Transformation Vaults:** Clip client success moments and convert them into "before/after" proof stories.

- **Framework Series:** Turn one long transcript into a multi-video series teaching your core model.

- **Origin Story Highlight Reels:** Compress your founder journey into emotional micro-docs.

- **Carousel to Script:** Convert your static educational carousels into dynamic talking head scripts.

- **Email Sequences from Dialogue:** Extract a 3-part belief-shift sequence from a single rant or insight.
