Building & Releasing Teams for Ministry

Insights on Leadership Multiplication

The strength of a ministry is found in the strength of its teams.

Prioritizing Prayer in Leadership Selection

Leadership starts with seeking God’s direction.

Biblical Example: Jesus prayed before selecting His disciples (Luke 6:12-13).

Action Steps:

Spend intentional time in prayer for discernment.

Seek clarity on leadership qualities that align with God’s vision.

Identifying Natural Gatherers

Look for individuals who naturally influence and attract others.

Traits of a Gatherer:

Relational charisma.

Ability to inspire trust and enthusiasm.

Evidence of informal leadership within groups.

Action Steps: Observe congregants during small groups, events, and volunteer activities.

Ensuring Cultural Fit

Leaders must align with the church’s values and culture.

Why It Matters:

- Protects the integrity of the ministry.
- Prevents division within teams..

Ensuring Cultural Fit

Leaders must align with the church's values and culture.

Evaluation Criteria:

- Does this person reflect the church's mission?
- Are they modeling Christlike character?

Practical Tool: Use a leadership assessment aligned with your church's core values.
