WELL-MAN CARS ARE DELIGHTED TO SHARE SOME EXCITING NEWS!

Following our merger last year with Bridge Cars in Hamilton we are pleased to announce that we will be joining forces with Castle Cars, another highly respected company, covering the Uddingston area. This is great news for our drivers and current customers as this will allow us to provide an even better service with a larger coverage and more drivers! **Bringing over 80 years of experience together!**

WHY JOIN WELL-MAN CARS?

We can let some of the positive feedback from our new drivers from Bridge cars tell you:

"Enjoying Well-man. Like the app and the fact we are kept busy more often than at Bridge."

"No issues to report back. Took a wee while to get my head around the app but have that sussed now."

"Absolutely fine, it was a painless transition. You run a very good system, very professional."

"Thanks for all your help. Life is so much better at Well-man"

If you are anyone you know was planning a career change or interested to know more about becoming a driver please email office@wellmancars.co.uk

Well-man Cars Community Race day at Hamilton Park

Well-man Cars are also delighted to announce another very exciting piece of news, that for the second year in a row we have the honour of sponsoring the community race day at Hamilton Park Race Course.

We love giving back to the community and what better way than to give our local schools, charities, care homes and community groups **FREE tickets**. Not only that but residents in the Hamilton area qualify for heavily discounted tickets for the day.

Come along for an action packed day with appearances from St Andrews first aid, Strathclyde fire and rescue, Soundsational choir Juniors play centre and that's only to name a few! You don't want to miss out.

For any further information
please contact our office at
