

### Andalusian Beach Trail (8 days)

Weight limit: 90 kilos

Nearest airport: Almeria

8 days / 7 nights / 6 riding days

An exciting trail through the extraordinary natural park of Cabo de Gata. This unique ride takes you into the unspoilt landscapes of the Cabo de Gata Natural Park, with its extraordinary contrasts of open beaches and volcanic mountain paths. The scenery you will encounter is unlike anything else in Andalusia. Furthermore, the region's excellent climate, characterised by low rainfall and mild temperatures, allows you to enjoy this experience at any time of the year.

## The Riding

Walk, lots of trots and canters where the terrain allows. Long gallops along dirt paths and deserted beaches, which alternate with stretches of volcanic trails in Cabo de Gata.

## Level of riding and fitness

This trail is open to intermediate riders upwards and the riding time is around 5 to 6 hours a day (3 to 4 hours on the Friday) , split up by a long lunch break. This trail is not suitable for beginner or novice riders and all riding guests should be confident and able to control a well schooled horse in the open at canter.

## Guides & Groups sizes

You'll be guided by one of the team at Cabacci Trails whose local knowledge is second to none. Owners Antonio and Manolo have over thirty years of organising horse riding holidays in this unspoilt area of Andalusia. Assisted by guides Pilar and Desi they are able to lead you to really spectacular places. Groups are kept small and this creates a welcoming and friendly atmosphere. The maximum group size is eight.

## Horses & Tack

There are around 20 horses to choose from at this destination; mostly Andalusian, Arabian and Hispano Arab. They live in the open air in comfortable paddocks and when not on the trail, they live together in a herd and are free to roam. Chosen for their good character and strength, most of them stay with your hosts for life and are trained using natural horsemanship techniques. They are sure-footed, brave, respectful and sensitive horses who enjoy the company of people. The tack and riding style is English.

### Accommodation and Dining

The two hotels used on this trail ([Sotillo hotel](#) or [Dona Pakyta](#) in San Jose and [Oro y Luz hotel](#) in Rodalquilar) are integrated into the national park and are surrounded by nature and next to the horses, just a few minutes from San José or Rodalquilar. Both the hotels have swimming pools and guarantee a restful and relaxing stay. Quality restaurants serving traditional Andalusian cuisine are chosen for diners and lunches are picnics on the trail, the team set up a beautiful fully laid table out in the park for lunch (the food is provided by local restaurants where you can leave the horses grazing nearby).
