# ABOUT WHALE RIDER RECORDS

Whale Rider Records is Cayman's first vinyl listening bar. Offering an intimate space where music sets the tone.

We're all about slowing down, connecting, and experiencing sound the way it was meant to be heard, - on vinyl.

With curated records playing daily, we host weekly themed nights, Open Decks for local collectors and DJs, and a rotating lineup of events like listening parties, live sets, and vinyl swaps.

Come for the music, stay for the atmosphere.
