## Summary

Dynamic UI/UX Designer with over 4 years of experience in product and graphic design, focusing on user-centric solutions. Proficient in crafting intuitive interfaces and conducting user research, with a proven track record at Mero Pharmacy and Bhawani Infotech leading to increased user engagement and satisfaction. Specialises in mentoring upcoming designer in industry best practices.

## Experience

### **Mero Pharmacy Manager - Product Designer**

July/'24 - Feb/'25

- Led end-to-end design of Mero Pharmacy Manager, a mobile solution tailored for small to mid-size pharmacies — from user research and wireframing to UI design and delivery.
- Streamlined pharmacy operations by integrating intuitive dashboards, resulting in reduced training time for staff and improved user adoption.

### **Aakar Creative Hub, Chitwan - UI/UX Instructor**

Jan/'24 - Jan/'25

- Delivered hands-on workshops and training sessions on Figma, user research, prototyping, and design systems to 100+ aspiring designers.
- Mentored students through real-world client projects, resulting in functional UI designs and portfolio-ready case studies.

### **Bhawani Infotech, Kathmandu - Product Designer**

June/'24 - Sept/'24

- Designed a fully functional UI for the "Ludo Junction" ludo game app.
- Established a design system and developed the overall theme for the app, ensuring consistency across all platforms.

### **Globymall Sarl, Lebanon - Graphic & UI Designer**

Aug/'23 - May/'24

### **Uptechsys, Kathmandu - Graphic Designer**

Sep/'22 - May/'23

### **TBB, Kathmandu - Graphic Designer**

Mar/'22 - May/'22

### **Cyber Kings India, India - Graphic Designer**

Dec/'20 - Mar/'22

## Education

### **Tribhuvan University - BCA**

Mar/'21 - Mar/'25

Bachelor in Computer Application
