

SOLARA

The Livingston Story

Born from a passion for ingenuity and beauty in design, Solara is the latest chapter in the Livingston Family's legacy of innovation. Every Solara is designed to be equally proficient at a full day of fishing as it would be entertaining an entourage. Backed by the engineering team at parent company Fluid Motion, Solaras are infused with innovations and design enhancements garnered from decades of experience.

Fluid Motion President, John Livingston has been immersed in the world of fiberglass boats since before he could walk. His father and business partner Dave Livingston built his first boat when he was fifteen years old using schematics from Popular Mechanics magazine. Not long after building the popular mechanics dinghy, Dave built his first hydroplane which he raced AND skied behind. During those early years, it was a regular occurrence for the neighbors to see Dave hauling lumber home on his bike until he was finally old enough to get his driver's license.

After completing four years of service in the Navy, Dave designed and built what would soon become his first commercially successful vessel, his iconic design bearing the family name, the Livingston dinghy. After several successful years at the helm of Livingston, Dave eventually sold the company to Reinell. Over the years, he has created, modified or consulted for many boat manufacturers including Bayliner, Reinell, Wellcraft, Regal, Larson, and many more.

Dave's steady hand at the drafting table and experienced eye for design trends has helped propel Solara Boats to its current level of success. Dave works tirelessly designing new models for Solara and is continuously improving manufacturing techniques and facilities.

Quality is in Our DNA

A dependable build begins with quality materials. As a proud member of the American Boatbuilding Association, we have access to the highest quality materials in the industry.

When it comes to construction, a fiberglass boat is built from the outside in. The first step to form the hull begins with a high-quality HD gelcoat featuring best in-class UV resistance. We then follow up with a vinyl ester barrier coat which keeps the moisture out and provides industry leading blister protection. Woven roving and continuous glass fibers are then hand-laid to create a rock-solid running surface built handle the toughest marine conditions. To create a hull that is both strong and lightweight, we utilize custom fabricated gimbaled hull molds which allow the resin to be evenly distributed and achieve the perfect glass to resin ratio.

Once the hull is formed, it is permanently bonded with our 100% fiberglass stringer system which becomes the rigid backbone of the boat. Foam is then injected into key areas of the stringer system to reduce noise while underway.

With the stringer bonded to the hull, the cabin can be built upon this solid foundation. Next, our skilled carpenters and technicians install the interior components, electrical systems, plumbing, cabinetry and more to create the fully furnished cabin. Throughout the interior, every Solara Boat features high quality marine-grade materials such as Sunbrella fabrics and premium wood finishes.

More Features Included Standard

Solaras come equipped with everything you need to get cruising from the day they are delivered. Complete with an autopilot system, bow and stern cameras, and more, every Solara comes fully loaded. Below are a few examples from the expansive list of premium features that are included across the Solara model range.

Autopilot - Considered a must-have by many captains, the autopilot system reduces fatigue on long cruises.

Auto-Leveling Trim Tabs - Computer controlled trim tabs take the guess work out of setting trim and increase stability underway.

Bow and Stern Cameras - Integrated with the Garmin chartplotter, these cameras provide a critical viewpoint while docking, maneuvering, or loading onto a trailer.

Bow Thruster - Standard equipment on all Solaras, the integrated bow thruster gives you ultimate control while docking and maneuvering in close quarters.

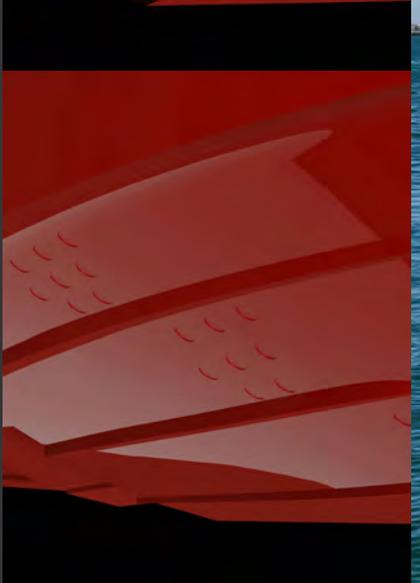

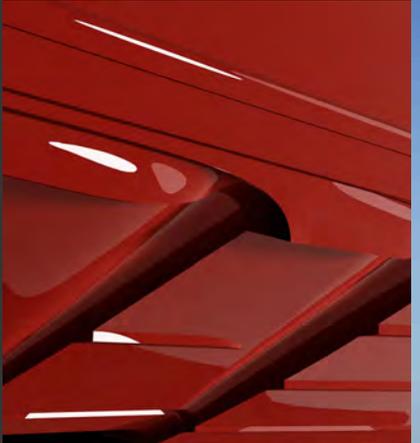

Hardtop Grab Rails - Stainless steel rails provide an additional hand hold for safety and stability when accessing the hardtop.

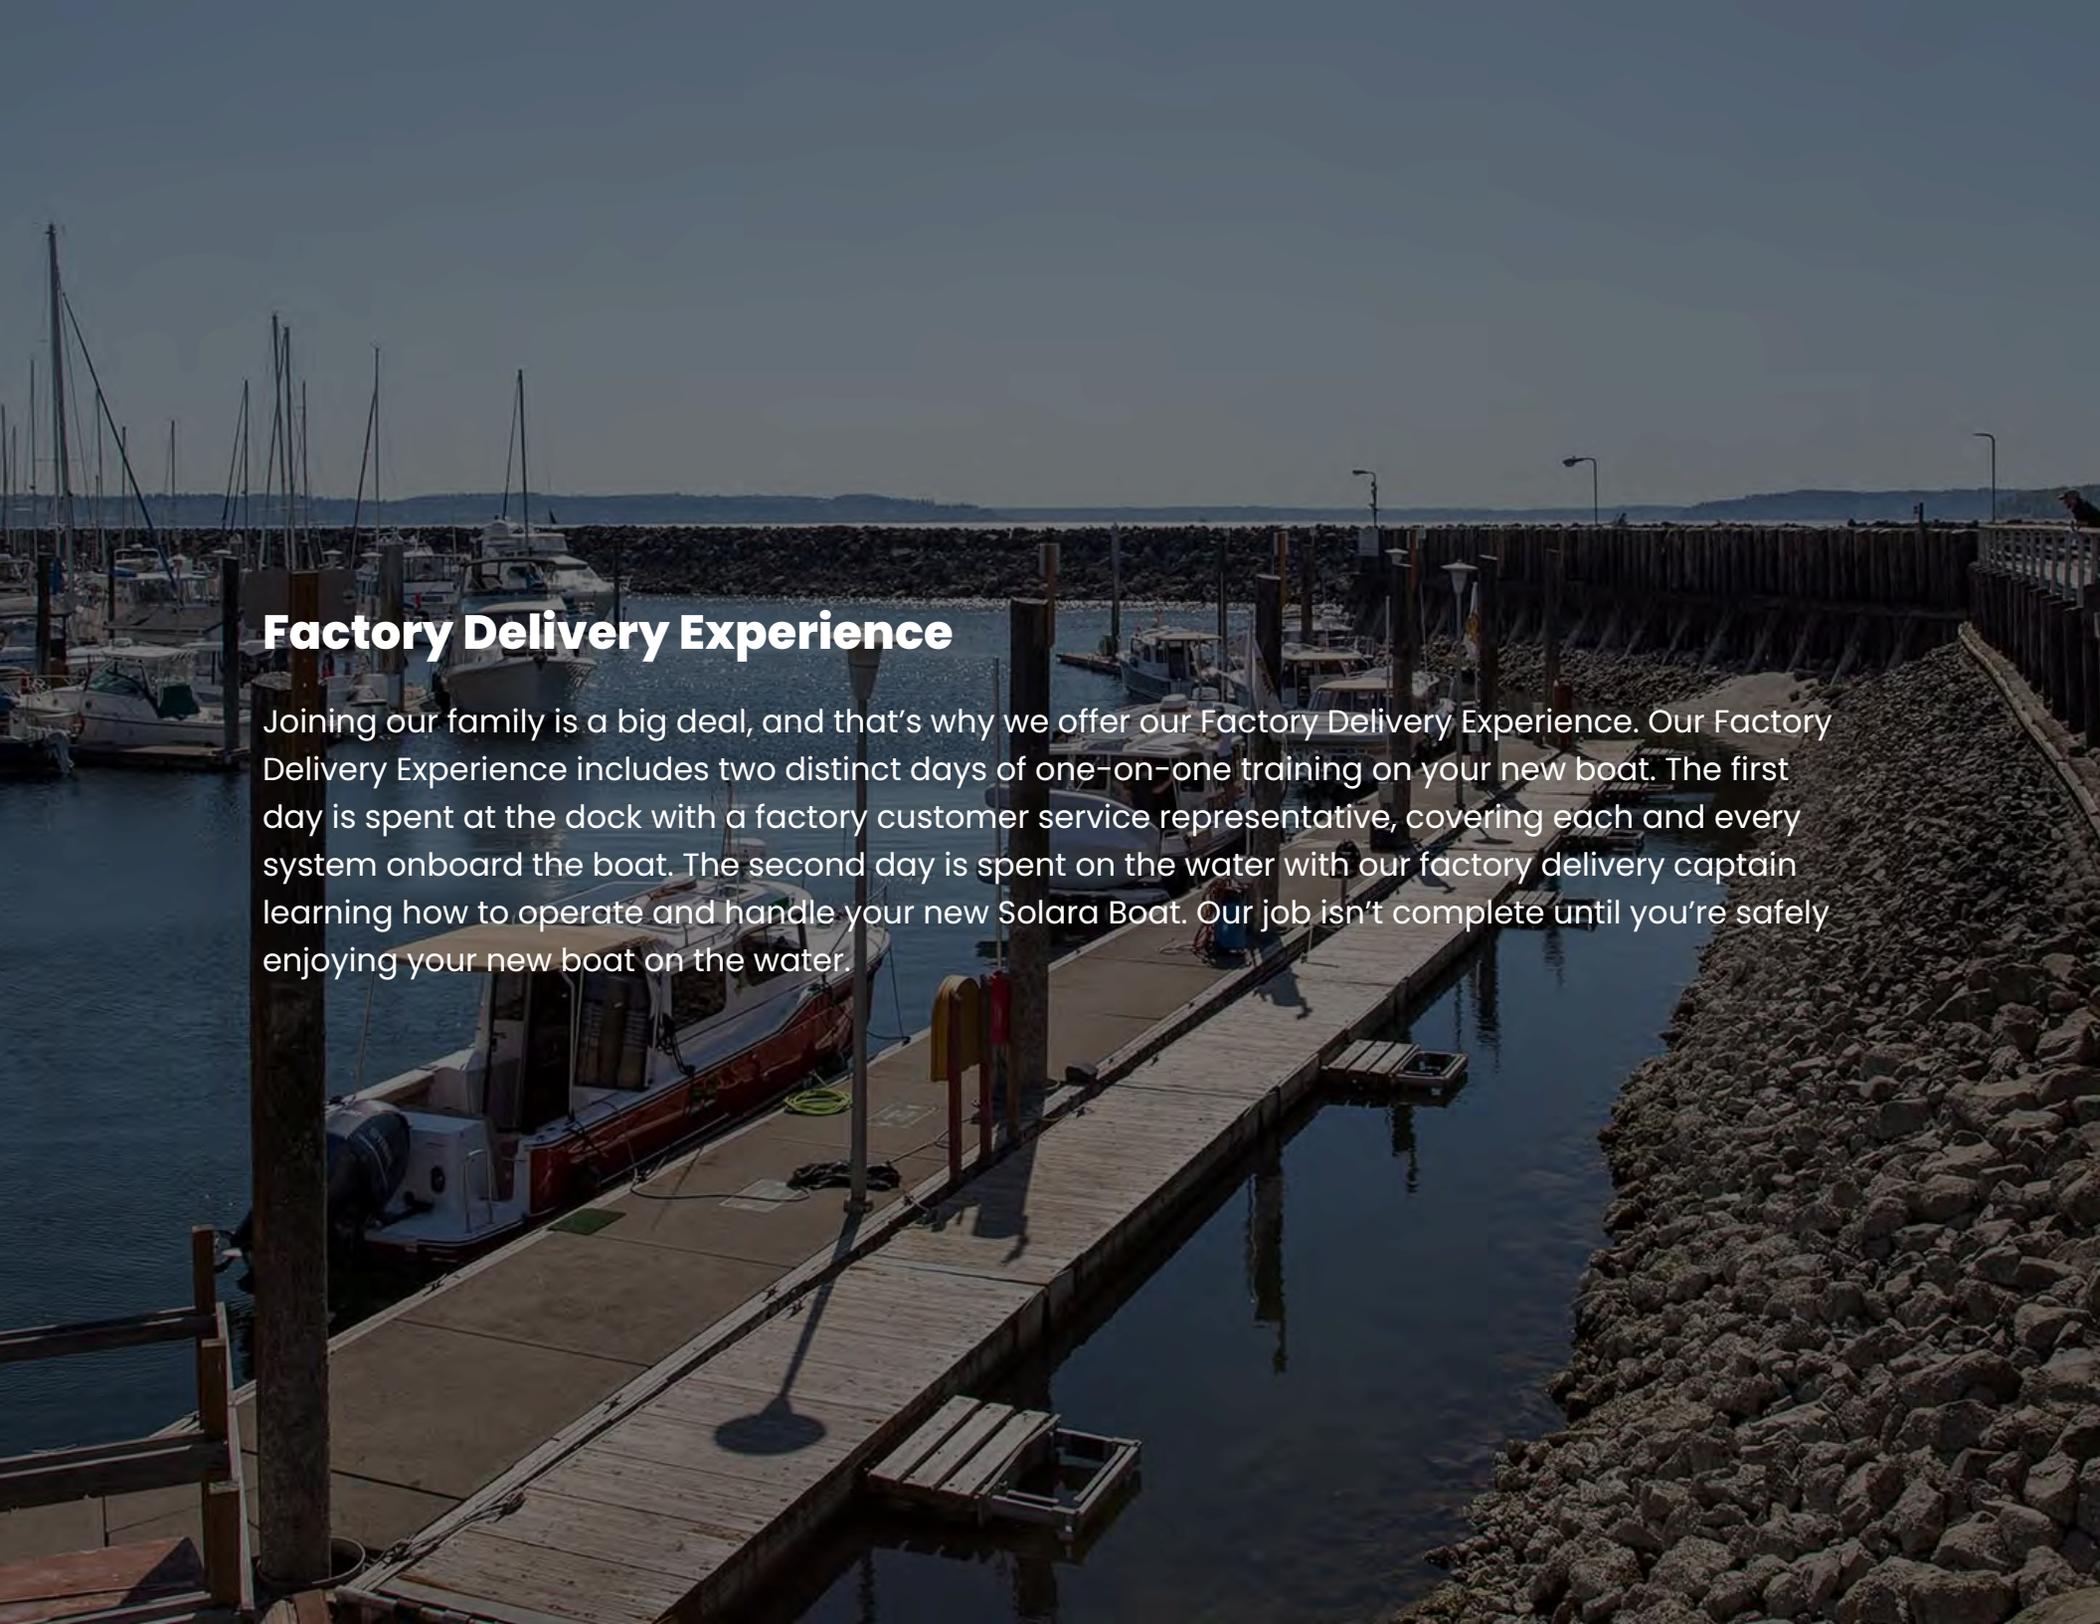

Galvanic Isolator - This active system shields your outboard engine against corrosion and extends the lifespan of protective anodes while connected to shore power.

Hull Design

Solara has drawn upon decades of experience developing performance hulls aboard sister brands Cutwater Boats and Ranger Tugs, to produce our most advanced hull designs to date. The expertly crafted running surface of each Solara features progressive variable deadrise to provide exceptional rough water handling while remaining both stable and efficient. Laminar Flow Interrupters enhance cornering ability and tracking while the double-stepped hull improves efficiency and time to plane. Handling is further refined by digital electric steering equipped Yamaha Outboards and Lenco auto-leveling trim tabs.

Factory Delivery Experience

Joining our family is a big deal, and that's why we offer our Factory Delivery Experience. Our Factory Delivery Experience includes two distinct days of one-on-one training on your new boat. The first day is spent at the dock with a factory customer service representative, covering each and every system onboard the boat. The second day is spent on the water with our factory delivery captain learning how to operate and handle your new Solara Boat. Our job isn't complete until you're safely enjoying your new boat on the water.

Build Your Boat

S-250 C

The Solara S-250 Coupe is a fully loaded luxury pocket cruiser perfect for overnighting, fishing, watersports, and day cruising.

The S-250 C includes many of the amenities found on larger yachts, in a compact package. Meal prep is fun and easy in the full galley featuring a stainless-steel sink with hot and cold water, refrigerator/freezer, stove top, microwave, and plenty of storage space. This comfortable cruiser even has a private stateroom with an enclosed head and shower!

The main salon features a dinette that transforms into an additional berth as well as a mid-berth under the dinette that is great for kids, or it can be used for additional storage. Open the bifold rear glass window to the cockpit to expand your entertaining space and let the outside in.

Powered by a Yamaha 300 HP outboard, the S-250 C is fast and efficient. The double stepped hull increases efficiency and performance, reduces fuel consumption, and contributes to her quick time to plane. The S-250 C hull also incorporates our Laminar Flow Interrupter technology for smooth, positive cornering. The captain will love the 360-degree view from the helm seat.

The S-250 C comes fully equipped to cruise and play. Standard features include autopilot, LiFePO4 batteries, air conditioning/reverse cycle heat, 12" Garmin GPS chartplotter with sonar, color Yamaha engine display, bow and stern cameras, VHF, docking lights, premium Bluetooth stereo system, built-in trailer lights, and much more.

Specifications

Engine: Yamaha F300 outboard engine
LOA (motor down): 31' 2" | 9.5 m
LOA (motor up): 33' | 10.06 m
Draft (motor down): 30" | 0.76 m
Draft (motor up): 19" | 0.48 m
Beam: 8' 6" | 2.59 m
Bridge clearance: 8' 2" | 2.49 m
Height on factory trailer (w/ radar, est.): 12' 2" | 3.71 m
Length on factory trailer (motor down, est.): 34' 2" | 10.41 m
Length on factory trailer (motor up, est.): 36' 6" | 11.13 m
Fuel capacity: 116 US gal | 439.1 L
Water capacity: 22 US gal | 83.3 L
Waste capacity: 11 US gal | 41.6 L
Weight, dry: 6,200 lbs | 2,812 kg

Performance Features

300 HP Yamaha F300 outboard
 Double stepped hull
 Auto-leveling trim tabs
 Laminar flow interrupters
 Bow thruster
 Trailerable - 8' 6" beam

Accommodations & Interior Comfort

Climate Control (heat and Air Conditioning)
 Cabin drink holders
 Curtains for privacy
 Dinette (seats 4) converts to bed
 Enclosed head, marine toilet w/ holding tank, pump out
 Fusion stereo system (multi-zone)
 Hatches, pilothouse roof
 Hatches, stateroom, solar reflective
 Indirect cabin lighting
 LED lighting
 Macerator discharge
 Midship berth
 Opening portlights
 Private forward stateroom
 19" flatscreen TV, antenna

Deck Features

Anchor package; 11 lb, 25' chain, 150' line
 Bow beaching ladder, stainless steel
 Bow pulpit
 Forward line storage
 Pop-up ski pylon
 Rod holders, 2
 Swimming ladder, stainless steel
 Swim step, with built-in fenders
 Underwater lights
 Windlass, bow and helm controls

Cockpit

Aft cockpit sun shade
 Built-in fish box/cooler
 Cockpit cover, soft-top
 Cockpit drink holders
 Cockpit seating
 Cockpit sink
 Downrigger plugs and pads
 Electric grill
 Livewell
 Opening glass bulkhead with reversible seat
 Raw water washdown
 Transom entry door
 Transom shower

Helm

Autopilot
 Bow/stern cameras
 Color engine display
 Digital fuel flow data
 Electronic shift and throttle control, single-lever
 12" Garmin navigation system w/ GPS and sonar
 Helm drink holders, 2
 Helm seat, bolstered
 USB charging ports
 Windshield wipers, 2

Galley

Cutting board
 Galley cabinets
 Galley drawers
 Microwave
 Refrigerator/freezer
 Sink with hot and cold water, with pull-out rinse faucet
 Stove top, electric/alcohol

Mechanical & Electrical

AC Electrical panel
 Battery charger
 DC electrical panel
 Galvanic isolator
 Inverter (2000W)
 Lithium (LiFePO4) Batteries
 Smart Plug inlet and 30amp shorepower cord

Safety

Carbon monoxide detectors
 Courtesy lights
 Docking lights
 Electric horn
 Rear flood light
 Integrated trailer lights
 Navigation lights
 Safety kit (fenders, lines, flares, fire ext, first aid kit, life jackets, boat hook)
 VHF radio, DSC capable

Construction

Bonded electrical system
 Foam-filled fiberglass stringer grid system
 Seawater strainer(s)
 Self bailing cockpit
 Stainless steel cleats, rails, hardware
 Vinylester barrier coat

Options

Hull color upgrade | \$3,860
 Anchor chain upgrade from 25' to 50' | \$250
 Aluminum tandem axle trailer with electric/hydraulic brakes spare tire/bracket | \$16,180
 Remove Macerator | \$0
 Factory Delivery Experience | \$2,755
 Garmin radar | \$2,755

Options, freight & taxes extra. Prices, specifications, equipment, and options may change without notice. Information on this sheet should not be used for navigation.

S-250 CW

Designed and built to be a master of multiple functions, the S-250 CW is just as comfortable sporting outriggers or downriggers as it is entertaining your guests as you take in a scenic sunset cruise. Whether you're fishing, enjoying watersports, sightseeing, or day cruising, the S-250 CW opens up a new world of exciting possibilities. Powered by a Yamaha 300, she is fast, efficient and fun.

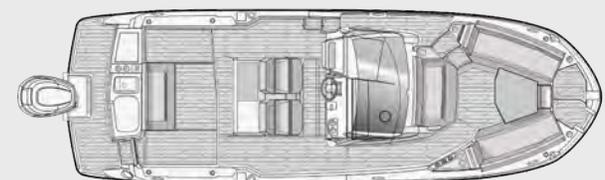

Our Laminar Flow Interrupters provide smooth positive cornering and her deep V, double stepped hull handles rough water with ease and gets on plane quickly. The S-250 CW boasts a large cabin with 6' 2" headroom, rod storage, a marine toilet and sink.

Standard features include 12" Garmin chartplotter with GPS and depth transducer, aft insulated beverage cooler, rod holders, locking rod storage, fishbox, large heavy duty cooler with seat, pop up ski tow, retractable stainless cleats, and abundant drink holders throughout.

The S-250 CW includes premium features as standard equipment such as sunshades, a livewell, Garmin chartplotter, and more.

Specifications

Engine: Yamaha F300 outboard engine
LOA (motor down): 29' 2" | 8.89 m
LOA (motor up): 31' | 9.45 m
Draft (motor down): 32" | 0.81 m
Draft (motor up): 19" | 0.48 m
Beam: 8' 6" | 2.59 m
Bridge clearance (w/ radar): 9' 0" | 2.74 m
Height on factory trailer (w/ radar, est.): 12' 2" | 3.71 m
Height on factory trailer (w/o radar, est.): 11' 4" | 3.45 m
Length on factory trailer (motor down, est.): 34' 6" | 10.52 m
Length on factory trailer (motor up, est.): 35' 10" | 10.92 m
Fuel capacity: 116 US gal | 439.1 L
Water capacity: 26 US gal | 98.4 L
Waste capacity: 13 US gal | 49.2 L
Weight, dry: 6,300 lbs | 2,858 kg

Performance Features

300 HP Yamaha F300 outboard
Double stepped hull
Bow thruster
Laminar flow interrupters

Accommodations & Interior Comfort

Cabin drink holders, 8 (including 6 in bow)
Cabin lounge
Cabin rod storage
Cabin sink
Fusion stereo system (multi-zone)
Large cabin w/ 6' 2 headroom
LED lighting
Marine toilet w/ holding tank, pump out
Macerator discharge
Opening portlights

Deck Features

Anchor package; 11 lb, 25' chain, 150' line
Bow beaching ladder, stainless steel, concealed
Bow lounge seating, 6
Bow utility console
Flood lights (front and rear)
Forward line storage
Hardtop
Pop-up ski pylon
Rocket launchers, 6
Rod holders, 7
Sport racks, stainless steel
Swimming ladder, stainless steel
Swim step, with built-in fenders
Sunbrella bow cover with pole
Sunbrella helm and seat covers
Tackle storage
Underwater lights

Cockpit

Built-in fish box/cooler
Cockpit drink holders, 2
Cockpit refrigerator
Cockpit seating, 4+
Cockpit sink
Downrigger plugs and pads
Livewell
Raw water washdown
Transom entry door for boarding
Transom shower

Helm

Color engine display
Digital fuel flow data
Electronic shift and throttle control, single-lever
12" Garmin navigation system w/ GPS and sonar
Helm drink holders, 2
Helm seat, double, bolstered
Tilt steering wheel
USB charging ports
Windshield wiper

Mechanical & Electrical

AC electrical panel (110v)
Battery charger
DC electrical panel
Galvanic isolator
Smart Plug Inlet and 30amp
Shorepower Cord

Safety

Courtesy lights
Docking lights
Electric horn
Illuminated compass
Integrated trailer lights
Navigation lights
Safety kit (fenders, lines, flares, fire ext, first aid kit, life jackets, boat hook)
VHF radio, DSC capable

Construction

Bonded electrical system
Foam-filled fiberglass stringer grid system
Seawater strainer(s)
Self bailing cockpit
Stainless steel cleats, rails, hardware
Vinylester barrier coat

Options

Hull color upgrade (from standard White) | \$3,860
Aluminum tandem axle trailer with electric/hydraulic brakes spare tire/bracket | \$16,180
Factory Delivery Experience | \$2,755
Garmin radar | \$2,755
Outriggers | \$2,000
Remove Macerator | \$0
Storage cover | \$2,890

Opulent Option Package | \$20,000

Auto-leveling trim tabs
Autopilot
Bow/stern cameras
Electric grill (dockside)
Fusion subwoofer and amplifier
Fusion stereo remote in bow
Inverter (2000W)
Windlass

S-250 DC

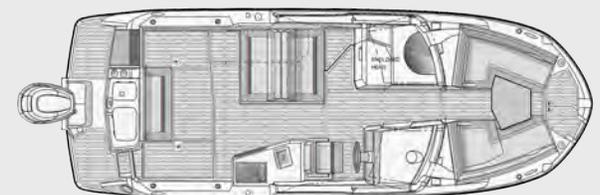

Solara's S-250 Dual Console is just as comfortable blasting around the lake with the kids in tow, as it is gliding along the shoreline for a sunset cruise. Designed and built to be a master of multiple functions, the S-250 DC provides exceptional versatility. Whether you're fishing, enjoying watersports, sightseeing, or entertaining guests, the S-250 DC opens up a new world of exciting possibilities. Powered by a Yamaha 300, she is fast, efficient and fun.

Our Laminar Flow Interrupters provide smooth positive cornering and her deep V forward and double stepped hull gets on plane quickly. The private head with marine toilet is roomy, comfortable, and bright thanks to the frosted overhead skylight.

Standard features include 12" Garmin chartplotter with GPS and depth sounder, aft beverage cooler, rod holders, locking rod storage, fishbox, large under-seat cooler, retractable ski pylon, pop up stainless cleats, and abundant drink holders throughout. The S-250 DC is built in the USA, fully loaded with premium features, and ready for your next adventure.

S-310 CW

The S-310 Center Walkaround brings unmatched versatility in an agile and sporty platform. Built to excel at fishing, overnighting and entertaining guests in style, you'll find features to enhance every experience.

Powered by twin Yamaha F300 outboards, the S-310 CW delivers exceptional performance and speed. Our uniquely designed Laminar Flow Interrupters provide outstanding cornering ability. The deep V forward and tapered bow flare allow the S-310 CW to handle rough water with ease.

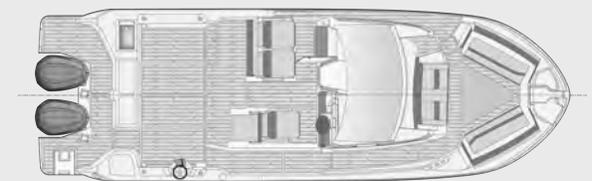

In the cockpit, it's an angler's paradise. With 6 rod holders topping the gunwale, 8 rocket launchers, flood lighting, and a large livewell, you'll be ready for any fight. The self-bailing deck and raw water washdown make cleanup a simple task.

The cabin is a comfortable escape from the elements. Climate control (heat and air conditioning) allows you to keep the interior at the perfect temperature. The large V-berth converts to lounge seating for additional entertaining space. In the cabin you'll also find a Bluetooth equipped, multi-zone Fusion stereo system, refrigerator/freezer, LCD flatscreen, 110v outlets, rod storage and opening portlights. From the main cabin, you'll find a fully enclosed head with an electric flush toilet and shower.

At the helm, dual 12" Garmin chartplotters with autopilot provide a fully customizable display for complete confidence. Integrated bow and stern cameras, electronic throttle controls, docking lights, Yamaha Helm Master joystick steering, and a bow thruster make docking easier than ever. The S-310 CW is built in the USA, fully loaded with premium features and ready for your next adventure.

Specifications

Engine(s): Twin Yamaha F300 outboards w/ Helm Master EX joystick control, electric steering (DES)
Length overall: 30' 10" | 9.4 m
Beam: 10' | 3.05 m
Bridge Clearance 9' 6" | 2.9 m
Draft (motor up): 25" | 0.64 m
Draft (motor down): 34" | 0.86 m
Fuel capacity: 200 gal | 757.1 L
Height on factory trailer (est.) 12' 8" | 3.86 m
Water capacity: 41 gal | 155.2 L
Holding capacity: 25 gal | 94.6 L
Weight, dry: 10,500 lbs | 4,763 kg

Performance Features

- Twin 300 HP Yamaha F300 outboards
- Double stepped hull
- Auto-leveling trim tabs
- Laminar flow interrupters
- Bow thruster
- Trailerable - 10' beam

Accommodations & Interior Comfort

- Climate Control (heat and Air Conditioning)
- Drink holders, 16 (including 11 in bow)
- Refrigerator/freezer
- Enclosed head, Marine toilet w/ holding tank, pump out
- Fusion stereo system (multi-zone)
- Fusion Subwoofer
- Hot water heater
- LCD Flatscreen TV and antenna
- LED lighting
- Macerator discharge
- Opening portlights
- Private forward stateroom
- Wine cooler

Deck Features

- Anchor package; 22 lb, 50' chain, 225' line
- Bow beaching ladder, stainless steel, concealed
- Bow lounge seating, 6
- Bow utility console
- Clear-Path swim platform, with built-in fenders
- Rear flood lights
- Forward line storage
- Hardtop
- Pop-up ski pylon
- Rocket launchers, 8
- Rod holders, 8
- Sport racks, stainless steel
- Rod storage (in cabin)
- Swimming ladder, stainless steel
- Sunbrella bow cover
- Sunbrella helm and seat covers
- Underwater lights
- Windlass

Cockpit

- Built-in fish box/cooler
- Cockpit refrigerator
- Cockpit seating, 6
- Cockpit sink
- Downrigger plugs and pads
- Electric grill (dockside)
- Livewell
- Raw water washdown
- Transom entry door for boarding
- Transom shower

Helm

- Autopilot
- Bow/stern cameras
- Color engine display
- Digital fuel flow data
- Electronic shift and throttle control, single-lever
- 12" Garmin (two screens) navigation system w/ GPS and sonar
- Helm drink holders, 2
- Helm seat, bolstered
- Tilt steering wheel
- USB charging ports
- Windshield wipers, 2

Galley

- Cutting board
- Galley cabinets
- Galley drawers
- Microwave
- Keurig coffee maker

Mechanical & Electrical

- AC electrical panel (110v)
- Battery charger
- DC electrical panel
- Galvanic isolator
- Inverter (3000W)
- Lithium (LiFePO4) Batteries
- Smart Plug Inlet and 30amp Shorepower Cord

Safety

- Courtesy lights
- Docking lights
- Electric horn
- Illuminated compass
- Navigation lights
- Safety kit (fenders, lines, flares, fire ext, first aid kit, life jackets, boat hook)
- VHF radio, DSC capable

S-310 SB

The Solara S-310 Sport Bridge is where thoughtful design meets boundless potential. Built to turn every outing into an extraordinary adventure, this 31-foot vessel is the ultimate blend of performance, comfort, and versatility.

Inside the climate-controlled cabin, you'll find a space that feels as functional as it is luxurious with three sleeping berths, including a spacious forward berth, a convertible dinette, and our largest aft-berth yet. At the helm, you're in command with dual 12" Garmin chartplotters, autopilot, auto-leveling trim tabs, and Yamaha Helm Master joystick steering, all included standard. A fully equipped galley with a stainless sink, refrigerator/freezer, and stovetop ensures you'll never have to compromise on meals. Below deck, the enclosed head with a marine toilet and shower provides comfort no matter where your adventure takes you.

Up top, the sport bridge adds a whole new dimension. Accessible via our safe-step ladder with secure handrails, it offers a second helm station complete with a Garmin 12" Navigation Suite, autopilot, and Helm-Master joystick steering as standard. From the elevated perch, you'll have a commanding view of the water, making navigation and entertaining effortless.

The S-310 SB is ready to match your pace, whether that's a day of high-energy activity or a quiet escape. With premium Lithium (LiFePO4) batteries, integrated cameras, a Fusion Bluetooth stereo, and ample seating, every outing is seamless and unforgettable.

The Solara S-310 Sport Bridge is more than a boat—it's an invitation to explore, entertain, and enjoy life on the water, like never before.

Specifications

Engine(s): Twin Yamaha F300 outboards w/ Helm Master EX joystick control, electric steering (DES)
Length overall (motors up): 36' | 10.97 m
Length overall (motors down): 33' 10" | 10.31 m
Length on factory trailer (est.) 38' 7" | 11.76 m
Bridge clearance (VHF and anchor light down): 11' | 3.35 m
Beam: 10' | 3.05 m
Draft (motor up): 25" | 0.64 m
Draft (motor down): 34" | 0.86 m
Fuel capacity: 200 gal | 757.1 L
Water capacity: 41 gal | 155.2 L
Holding capacity: 25 gal | 94.6 L

Performance Features

- Twin 300 HP Yamaha F300 outboards w/ Helm Master EX joystick control, electric steering (DES)
- Double stepped hull
- Auto-leveling trim tabs
- Laminar flow interrupters
- Bow thruster
- Trailerable - 10' beam

Accommodations & Interior Comfort

- Climate Control (heat and Air Conditioning)
- Drink holders, 4 cockpit - 11 cabin - 9 bow
- Enclosed head, Marine toilet w/ holding tank, pump out
- Fusion stereo system (multi-zone)
- Fusion subwoofer
- Water heater
- LCD flatscreen TV and antenna
- LED lighting
- Stainless-Steel Sink
- Macerator discharge
- Opening portlights
- Private forward stateroom
- Wine cooler

Deck Features

- Anchor package; 22 lb, 50' chain, 225' line
- Bow beaching ladder, stainless steel, concealed
- Bow lounge seating
- Clear-Path swim platform, with built-in fenders
- Rear flood lights
- Forward line storage
- Rod holders
- Swimming ladder, stainless steel
- Sunshades
- Underwater lights
- Windlass

Cockpit

- Cockpit seating, 6
- Electric grill
- Livewell
- Raw water washdown
- Dual side entry doors for boarding
- Hot and cold transom shower

Helm

- Autopilot, Yamaha
- Bow and stern cameras
- Color engine display
- Digital fuel flow data
- Electronic shift and throttle control
- 12" Garmin navigation suite, dual screens w/ GPS and sonar
- Helm drink holders, 2
- Helm seat, bolstered w/ Solara embroidery
- Joystick steering
- USB charging ports
- Windshield wipers

Galley

- Galley cabinets
- Galley drawers
- Convection oven/microwave combo
- Refrigerator/freezer
- Stainless-steel sink with hot and cold water
- Stove top
- Wine/water cooler

Sport Bridge

- Secure-step ladder
- Drink holders
- Full helm controls with Garmin, VHF, and bow thruster
- Seating, 4-5

Mechanical & Electrical

- AC electrical panel (110v)
- AC battery charger
- DC/DC battery charger
- DC electrical panel
- Digital Switching
- Galvanic isolator
- Inverter (3000W)
- Lithium (LiFePO4) Batteries
- Smart Plug Inlet and 30amp Shorepower Cord

Safety

- Courtesy lights
- Docking lights
- Electric horn
- Illuminated compass
- Navigation lights
- Safety kit (fenders, lines, flares, fire ext, first aid kit, life jackets, boat hook)
- VHF radio, DSC capable

Construction

- Bonded electrical system
- Foam-filled fiberglass stringer grid system
- Seawater strainer(s)
- Self bailing cockpit
- Stainless steel cleats, rails, hardware

S-310 SC

The Solara S-310 Sport Coupe takes entertainment and adventure to an entirely new level. It's built upon our advanced double-stepped deep-V hull with laminar flow interrupters and powered by twin Yamaha F300 outboards. State of the art electronics include twin 12" Garmin chartplotters, Bluetooth enabled Fusion stereo system, auto-leveling Lenco trim tabs, bow and stern cameras, and Helm Master level 3 autopilot, all as standard equipment. Premium Lithium (LiFePO4) house batteries provide extended power while away from the dock.

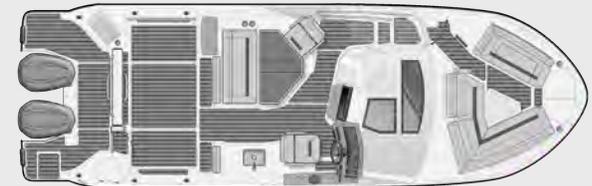

The large cockpit features seating for 6, including our fold out seats and two versatile lounges. The convertible sunset lounge can face both forward and aft, and the transforming dinette backrest flips to become a spacious lounge. In the open and airy cabin of the S-310 SC lies a full galley with ample storage, an L-shaped dinette, LED edge lighting, lighted speakers, and a wide opening sunroof.

The Helm of the S-310 SC features twin chartplotters, autopilot panel, Helm Master joystick steering, and accessory switches, all within easy reach. A portside walkthrough allows convenient access to the spacious bow lounge. Below deck, a climate-controlled forward stateroom and head with shower are perfect for overnighting and long stays alike.

Avid sportsmen will be ready for action with a full suite of fishing features including gunwale mounted rod holders, a livewell, raw-water washdown, and available outriggers. From a calm morning cruise, an afternoon on the sandbar, or a lively evening cruise with the lights on and stereo blazing, the S-310 SC is ready for any adventure.
