

DESIGN PROGRAM

75+ years of hands-on creative industry
learning and community building

WWW.SEATTLECENTRALCREATIVEACADEMY.COM

How does it work?

2 YEAR, LOCK-STEP

AAS DEGREE

**Upside down BA program*

5 DAYS PER WEEK

Mon. – Thurs., 9am–2pm / Friday til 3pm

SUMMERS OFF!

The class of 2025

Ready for the future

After two years of intense learning and project-based work, our students will have the foundational skills and experiences in design – including motion, branding, and interactive screen-based design – necessary to be confident creative thinkers and problem-solvers.

What we teach

What our graduates say

“

...I got up early, stayed up late, and ate more burritos than I'm proud of.

I left with a solid portfolio, a vast alumni network, and mad Adobe CC skills.

SEATTLE ASIAN ART MUSEUM REBRAND

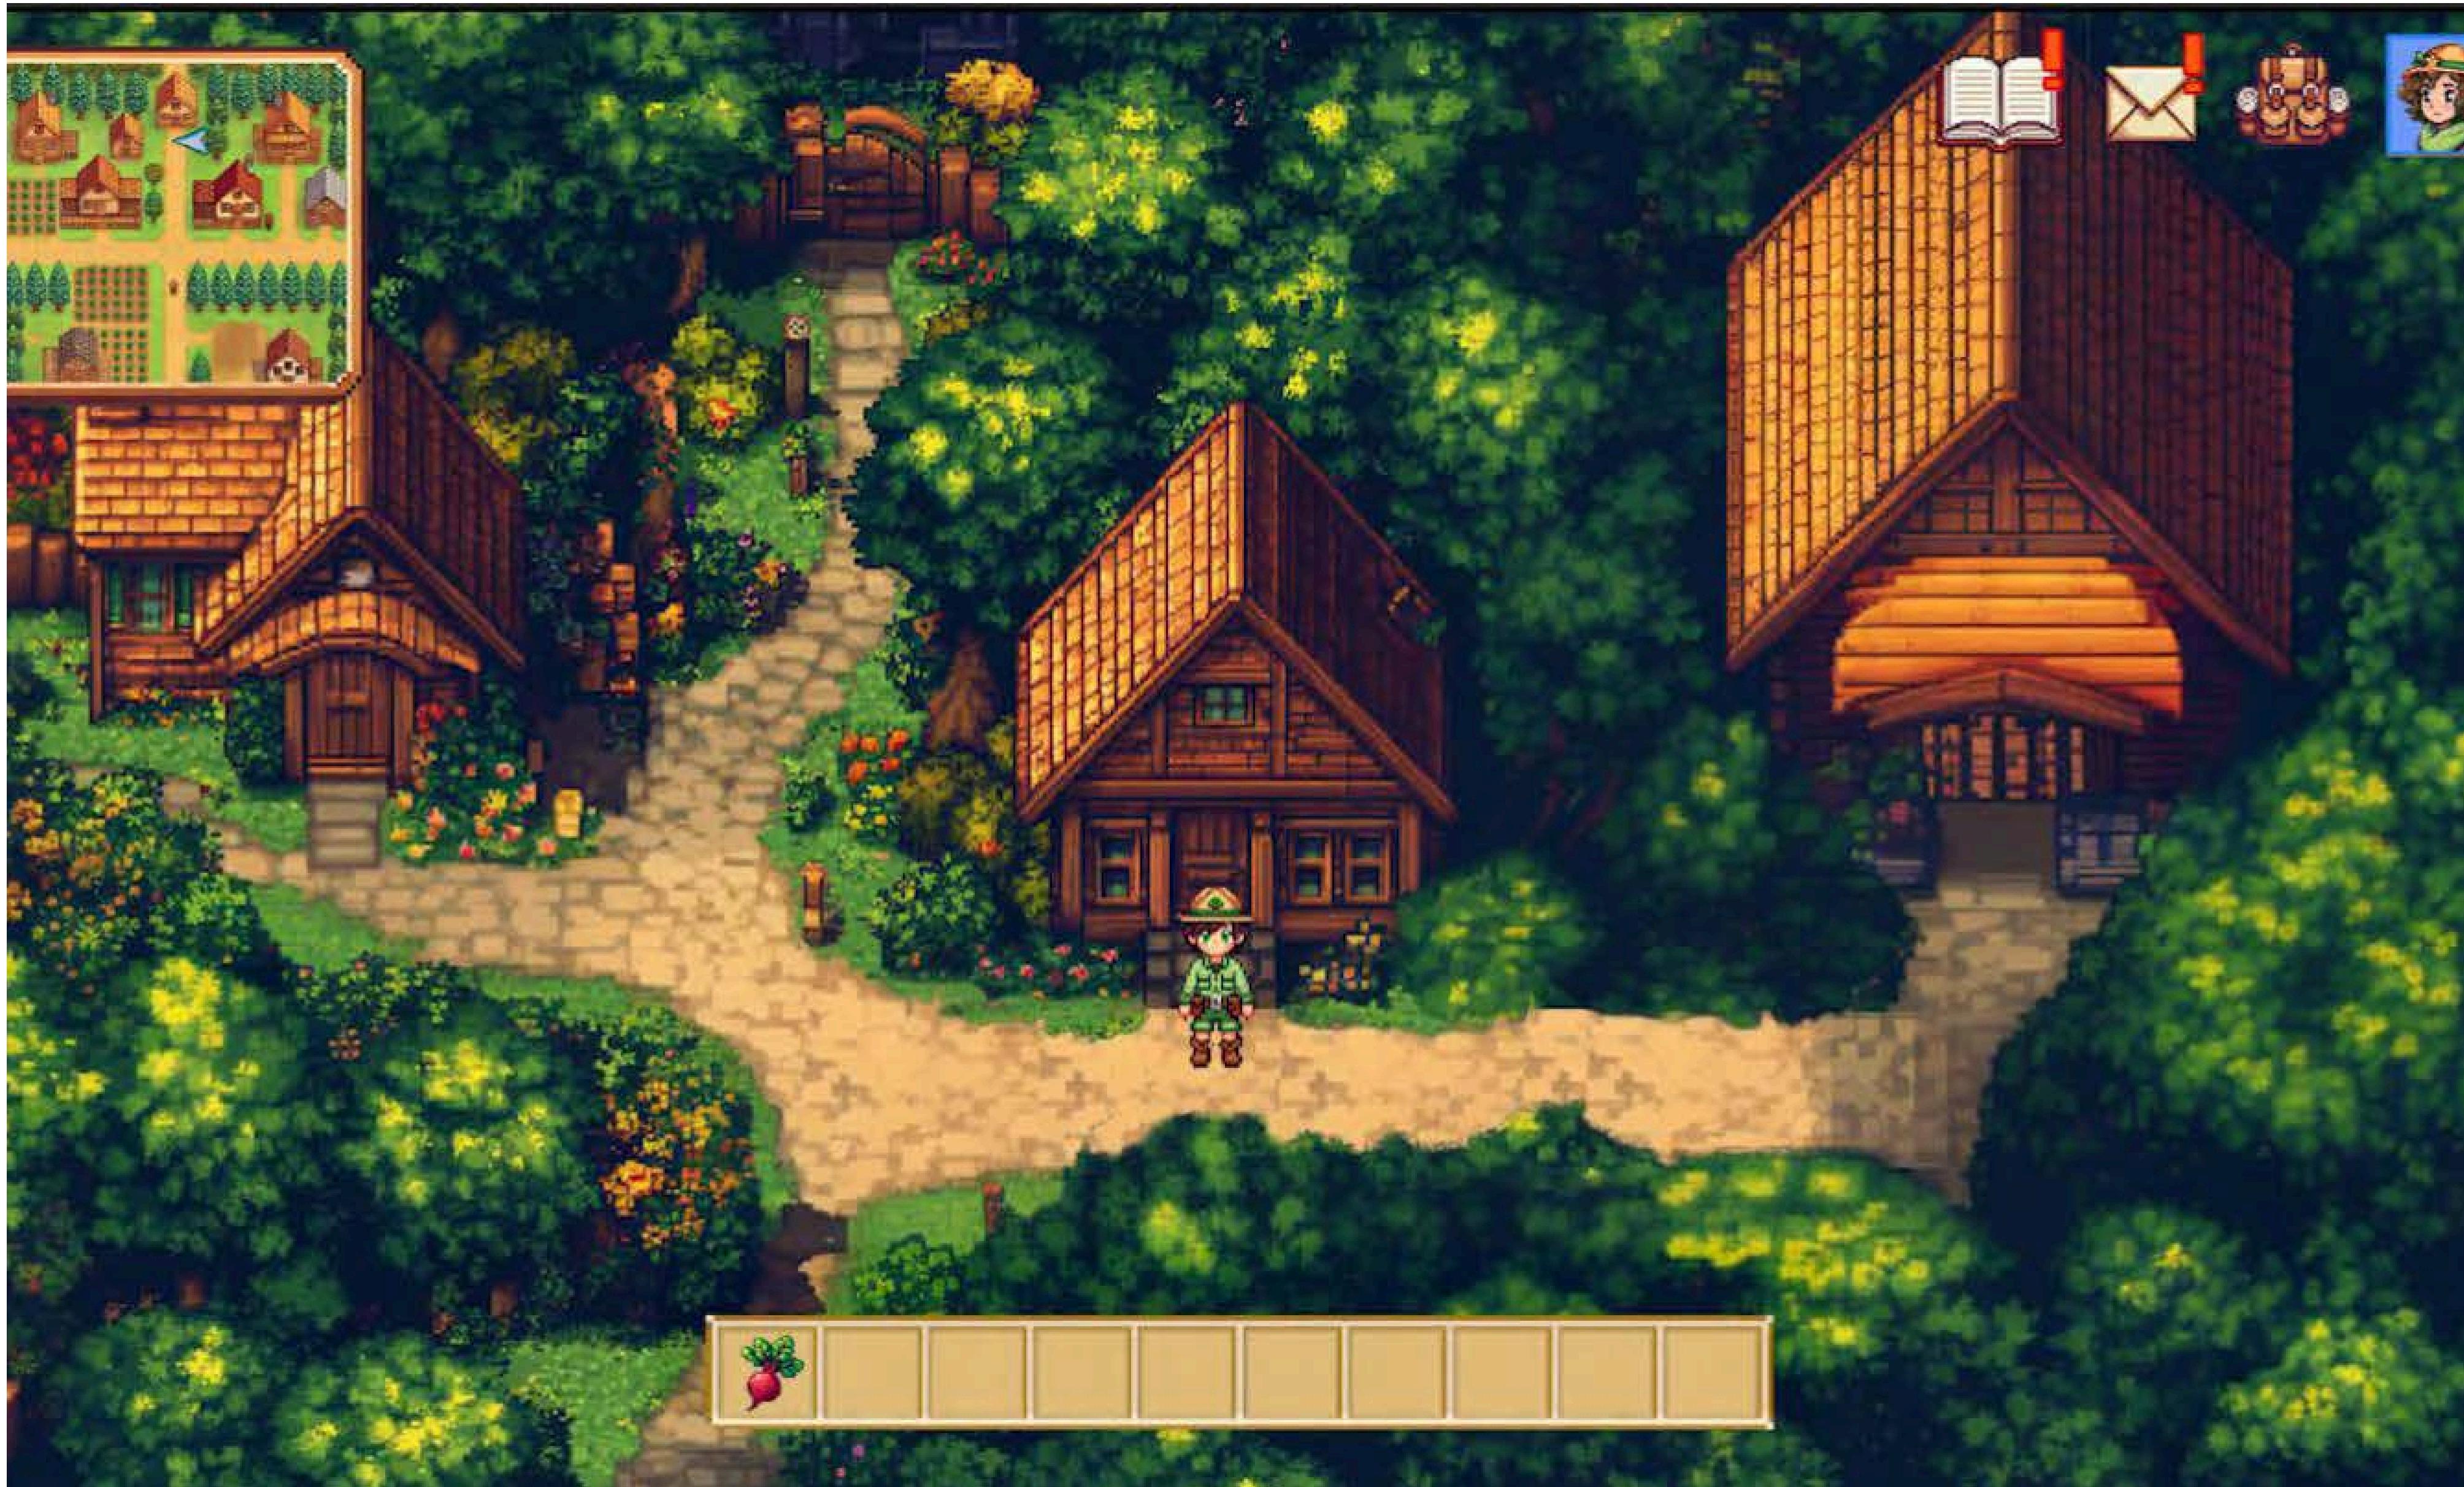

What our graduates say

“

Professors know their stuff, are super supportive and always keeping up on the latest things going on in the industry to make sure students are well prepared.

“

SCENE FROM UX GAMING PROJECT

What our graduates say

“

The classes at SCCA were perfectly focused on the real-world skills I'd need to become a design professional. I was immediately hired at Xbox when I graduated.

”

PACKAGING DESIGN MOCKUPS

What our graduates say

“

There's something really unique and wild about being in a place that doesn't just encourage you to be creative, but almost demands it.

”

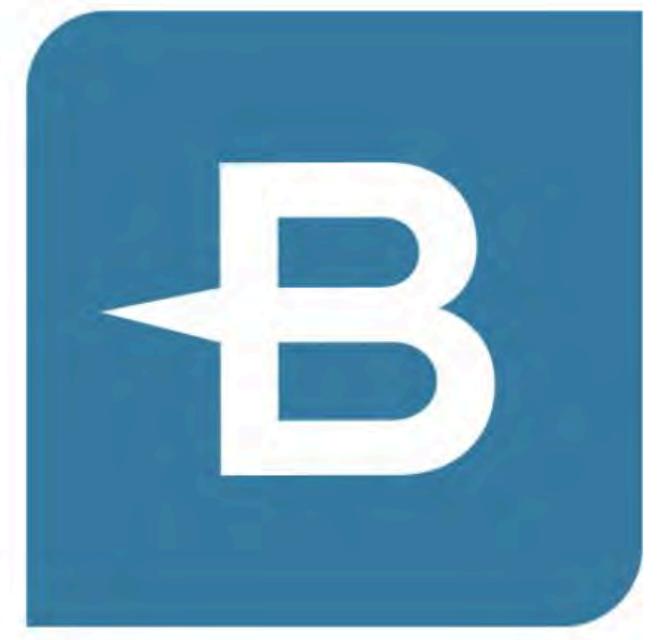

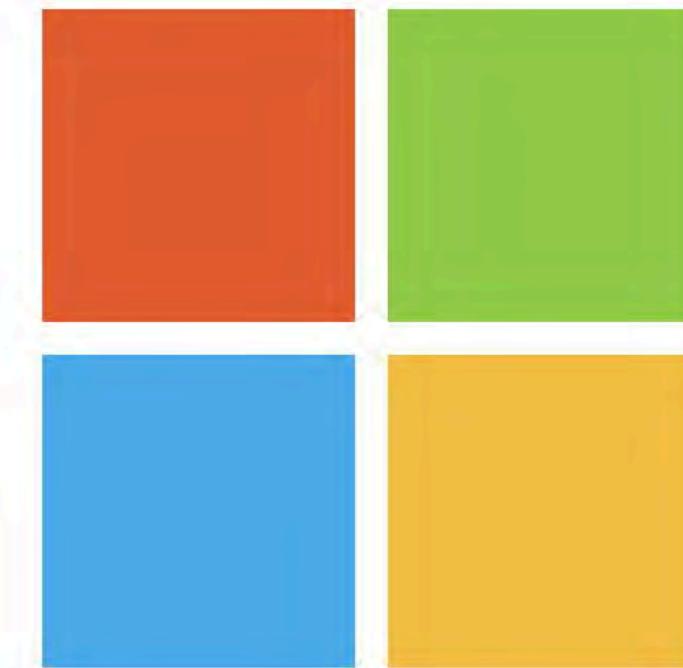

BRAND IDENTITY AND COLLATERAL
