

Smarter Practice, Greater Trust, Better Care

From the operatory to the front desk, a Pearl-powered practice equips the office with an intelligent suite that helps patients say “yes” to treatment while keeping the business running more efficiently.

Build Patient Trust

Turn complex diagnoses into clear conversations with colorful radiologic findings, Tooth Parts mapping, patient health reports, and transparent payment details that build confidence and **drive 30% higher treatment acceptance.**

Catch More

Detect 37% more disease and **deliver 24% more care with FDA-cleared radiologic AI** that helps clinicians identify more conditions and support more consistent treatment decisions.

Work Smarter

Streamline scheduling, patient recall, insurance verification, and daily workflows with actionable insights that help office teams **save 20+ hours every week.**

Grow Revenue

Uncover treatment opportunities, accelerate insurance reimbursement, and submit cleaner claims to boost monthly production by **up to \$30K per practice.**

When dentists practice with Pearl, case acceptance soars.

30% ↑

more treatment acceptance

34% ↑

more disease detected

24% ↑

more care delivered
