Wedding Venue Recommendation: Glenfalloch Gardens with our lovely wedding coordinator, Monica.

I am delighted to share our experience with Glenfalloch Gardens, which made our wedding day truly unforgettable. From the moment we walked in, we were greeted with warmth and professionalism by Monica & Amanda. The venue itself is absolutely stunning, offering a beautiful blend of elegance and charm that made our ceremony and reception perfect. The Gardens are breathtaking, and the view overlooking the water is equally spectacular. Picture perfect!

The staff at Glenfalloch Gardens went above and beyond to ensure everything ran smoothly. From the initial planning stages to the big day, they were always available to answer questions, provide guidance, and ensure every detail was taken care of. They made the process so much easier and stress-free.

Our guests were in awe of the gorgeous setting, and the food was exceptional. The seamless flow of the event, from the ceremony to the reception, exceeded all expectations. The venue's staff took care of everything so we could truly enjoy our special day with loved ones.

We wholeheartedly recommend Glenfalloch Gardens to any couple looking for a beautiful, memorable, and stress-free wedding experience. They made our wedding dreams come true, and I'm confident they'll do the same for other couples in the future.

Sincerely,

Hayley & Lafaele Faamoe-Ioane

Glenfalloch was such a beautiful venue to hold our wedding reception, and we loved the atmosphere created by the lights and greenery. Monica was amazing to work with, incredibly helpful, organised and accommodating, especially with the kids that were there as well. We all loved the evening, and wouldn't have changed a thing!! Highly recommend Monica and the team.

Fiona and Joe

The staff at Glenfalloch were incredible! The events team helped bring our vision to life, and the communication was fantastic. Everything was set out perfectly, and I didn't have to worry about anything. The food was absolutely delicious and beautifully plated, catering to many different types of dietary requirements confidently. It was the most magical place to get married, and a perfect day.

# Glenfalloch

My husband and I were married at the beautiful Glenfalloch this year. It was our first choice wedding location, and I had heard excellent things about the gardens and events there. It did not disappoint! From start to finish, organising our wedding at Glenfalloch was a straightforward, enjoyable, and memorable experience. The wedding coordinator, Monica, is clearly passionate about weddings and helping couples curate their special day.

The gardens are beautifully serene with a ceremony lawn that overlooks the harbour. It set the scene for incredible wedding photos with a large variety of settings. The restaurant transformed into the perfect reception area that was big enough for our large wedding and a band. The food was delicious, and all of the staff put great effort into our day. We are very grateful to the Glenfalloch team, and I would highly recommend them as a wedding venue.
