Thora Vingård

Here at Thora Vingård, we are all wine lovers. We live and breathe wine daily. Out in the vineyard, among the vines, in the winery and here in our restaurant.

Building a wine list is one my favorite things to do. After traveling the wine regions around the world, getting to know wine makers and their terroirs, it is with a humble heart that I present our collection of wine here at Flora – a mix of idols and friends with hopefully, something for everyones tastes.

A wine list is something that should be alive and slowly grow. This is just the beginning.

Daniella Lundh Egenäs,
Wine Director
