This Master Agreement was last updated on May 17, 2023, and is effective between User and Finalis as of the Effective Date.

1. **Finalis Products and Services.**

During the Term and subject to the Terms and User's compliance with the terms hereof, Finalis may make available to User and Authorized Users a revocable, limited, non-exclusive, non-transferable and non-sublicensable license to access and use one or more of the Products and Services solely pursuant to this Agreement. User agrees that its purchase hereunder is not contingent on the delivery of any future functionality or features nor dependent on any public comments made by Finalis regarding future functionality or features. Notwithstanding anything to the contrary herein, the availability of, access to and use by User and Authorized Users of the Products and Services is subject to Finalis' prior review and approval and may be suspended or terminated by Finalis in its discretion at any time without notice to you and such action shall not be deemed a breach of this Agreement. Unless otherwise agreed to by Finalis in writing, (a) the Products and Services are purchased as subscriptions with the number of Users on the Order Form, (b) only the agreed number of Users on the Order Form shall be provisioned by User and (c) each User and Authorized User is one Person and credentials for each Account may not be shared. Finalis will determine in its discretion the method, details and information in and means of performing and making available the Products and Services. Finalis may use Affiliates, Finalis

Affiliated Persons and Vendors to provide the Products and Services, and Finalis reserves the right to engage and substitute Affiliates, Finalis Affiliated Persons and Vendors as it deems appropriate to provide the Products and Services and support hereunder. User shall promptly provide Finalis with sufficient information in Finalis' discretion to provide the Products and Services. User, on behalf of itself and each Authorized User, agrees to use the Products and Services, including to conduct the Transactions and provide the Transaction Services. Finalis reserves the right to, at any time, modify User and Authorized User access to Products and Services that are in Beta Service, demonstration, free of charge, free trial and/or view only modalities without notice. With Finalis' consent, which consent may be revoked at any time, User may permit one or more User Affiliated Persons to access and use specific Products and Services as Authorized User as contemplated by this Agreement provided that User in advance submit to Finalis the information required by Finalis of each Person that User wishes to add as an Authorized User for Finalis' consideration. In connection with their access to the Products and Services, User and each Authorized User shall abide by the confidentiality requirements hereof and shall not allow others to use the Products and Services without the prior written consent of Finalis, which shall not be withheld, conditioned or delayed. User Affiliated Persons supporting User Transactions and Transaction Services shall be limited to only clerical or ministerial functions on behalf of such Users. User shall be vicariously responsible for the obligations and undertakings herein to be observed or performed by its User Affiliated Persons. Nothing herein shall prohibit Finalis from providing Products and Services to other Persons.

2. **Alternative Package.** Unless otherwise agreed by Finalis in writing, and subject to the Collaboration Option, with written notice to Finalis at least 90 days prior to the end of the Term, User shall have the option as of the end of such Term to switch Packages then offered by Finalis, provided that, notwithstanding anything to the contrary herein, the term hereof shall automatically renew into a new Subsequent Term and User shall execute an Order Form satisfactory to Finalis under such new Package.

3. **Billing and Payment.**

(a) **General.** As consideration for User's and Authorized User access to and use of the Products and Services, as applicable, (i) Commission Payments to Broker Dealer (subject to the Fees, as applicable) from Transaction Commissions shall be deducted by Broker Dealer prior to Commission Payments to User and (ii) User shall pay Finalis (or its designee) the Fees as set forth herein. There will be no refund of any of the compensation due to Finalis hereunder. User shall not circumvent, avoid, bypass or obviate Finalis, directly or indirectly, to avoid payment of compensation due to Finalis. User agrees to pay the Fees in full, without deduction or setoff of any kind, in Dollars. Fees accrue as of the Effective Date and continue to accrue even if User has not successfully passed applicable FINRA exams. User agrees to promptly provide Advisor with all information necessary for Finalis to ascertain and timely collect its Fees. Finalis retains the right to reassess at any time the number of Users, and invoice User accordingly pursuant to this Agreement. Neither Finalis nor its Affiliates shall be responsible for any fees or expenses incurred by User or any User Affiliated Person arising under or in relation to this Agreement. Except as set forth herein, there are no fees to be paid by Finalis to User, User Affiliated

Persons or a third party hereunder. With respect to payment to User of any compensation and concession hereunder, you hereby waive demand of payment of the same until Finalis has received payment of the same and the requirements under Applicable Law have been satisfied.

(b) **Package.** Except as otherwise agreed to by the Parties, the Fees during the applicable Term shall be based on the Package selected by User and the number of Users on the Order Form. In the event of any conflict between this Agreement and the Order Form, the terms of the Order Form shall control. Together with the execution of the Order Form, subject to any free trial period, Finalis has issued an initial invoice to User which is the portion of the first month's Fees that apply from the Effective Date through to the end of the calendar month of the Effective Date. Notwithstanding anything to the contrary herein, renewal of this Agreement for Subsequent Terms shall be at Finalis' pricing in effect at renewal as set forth on the Fee Schedule (and Finalis reserves the right to change its pricing applicable to this Agreement upon renewal).

(c) **Invoices.** Each User shall be responsible for paying the Fees. Payment of invoices is due by the first day of the month of an invoice. Finalis may permit a User to defer payment of all or part of any Fee due to Finalis hereunder; provided, that (i) any such deferral shall accrue for the duration of the Initial Term or the applicable Subsequent Term and be payable no later than at the end of such Term, as applicable and (ii) such User shall remain liable for paying such Fees as otherwise set forth herein. Except as agreed by Finalis in writing, if payment is not received by the due date, Finalis reserves the right to, in addition to taking any other action in law or equity, (I) charge interest on past due amounts at five percent or the highest interest rate allowed by law, and to charge User expenses of recovery and (II) suspend User and Authorized Users' access to the Products and Services until overdue amounts are paid. Finalis shall have a first priority lien on and security interest in all of User's rights to and interest in compensation and other amounts due to them hereunder to satisfy overdue amounts due to Finalis hereunder, and, in connection therewith, User hereby assigns to Finalis, per Applicable Law, compensation and other amounts due to User, and such lien and assignment, whether accrued before or after termination hereof, shall survive the termination hereof. User agrees that Finalis may appoint any Person to collect amounts due by User, grants any collection agent engaged by Finalis the right to contact them by any means in connection therewith and agrees to be responsible for fees and expenses incurred by Finalis or such agent for that purpose on each such occasion.

(d) **Payment Method.** User payment of Fees shall be made monthly through credit card, debit card, automatic withdrawals or wire transfer. Finalis may employ third parties for the processing or payment of Fees and give them information provided by User (or its designees) to Finalis to process such payments and each may retain User's payment details. User represents and warrants on behalf of itself and its designees that its payment details are true and correct when provided to Finalis or its designees. User shall promptly update any change in billing information. All payments received by Finalis shall be the property of Finalis without restriction. Finalis accepts no liability where User makes an erroneous payment otherwise meant for Finalis. Fee payments made by credit card shall be assessed a credit card processing fee per transaction. If User delegates to another Person the payment to Finalis of fees hereunder, each User agrees that, while such Person may pay such fees, such User shall be responsible for fees

due to Finalis hereunder if not satisfied by such delegated Person, and Finalis may collect fees from such User as set forth herein.

4. **Work Flow Products and Services.**

(a) **Representatives.** If User is a Representative or User or User's OBA employs or engages Representatives, User agrees on behalf of itself and its Representatives that the Work Flow Terms shall apply to such User and Representatives, as applicable, and their Transactions and Transaction Services, as applicable.

(b) **Rule 15a-6.** If User facilitates private security investments through activities conducted outside the U.S. Territory and wishes to avail itself of Rule 15a-6 and/or Finalis provides User any Chaperoning Services, User agrees on behalf of itself and its User Affiliated Persons that the Chaperoning Terms shall apply to such Chaperoning Services, User and its User Affiliated Persons, as applicable, and User's Transactions and Transaction Services, as applicable.

(c) **Outside Broker Dealer Services.** If Finalis provides Outside Broker Dealer Services to User (which shall only be a non-sanctioned U.S. broker-dealer member FINRA/SIPC) or its User Affiliated Persons, User agrees on behalf of itself and its User Affiliated Persons that the Outside Broker Dealer Terms shall apply to such Outside Broker Dealer Services, User and its User Affiliated Persons, as applicable, and User's Transactions and Transaction Services, as applicable.

5. **Deal Flow Products and Services.**

7. **Bad Actor Certification.** User hereby certifies that neither it nor any of its controlling parties (including applicable officers, directors, and other personnel) or 20% or greater direct or indirect beneficial owners, nor any other "covered person" (as determined under Rule 506(d)) under the Securities Act, is subject to any of the disqualifying sanctions identified in such Rule 506(d) and listed in the Bad Actor Terms, which certification User agrees is reasonable and shall

survive the termination of this Agreement. User will immediately notify Finalis in writing of any change, inaccuracy or misstatement in the foregoing certification.

8. **Broker Dealer.** Notwithstanding anything to the contrary herein, User, on behalf of itself and its User Affiliated Persons, agrees that Broker Dealer may, in its sole judgment, determine that a Transaction, Transaction Service or any other matter hereunder is required under Applicable Law to be conducted through a registered broker-dealer or FINRA member. In that case, with no further action by User or any User Affiliated Person, User agrees that (a) such Transaction, Transaction Service or other matter shall be conducted through Broker Dealer as determined by Broker Dealer, (b) if so determined by Broker Dealer, (i) User, who shall be a Representative, shall enter into a written agreement satisfactory to Broker Dealer with Broker Dealer and the applicable Persons to conduct such matter through Broker Dealer, (ii) the rights and interests of such User (including to receive fees) will be assigned and transferred to Broker Dealer, and Broker Dealer shall be deemed to have assumed the duties of such User and be acting through such User pursuant hereto and such agreement to which Broker Dealer is a party, and such User will manage the matter whether it remains with such User or is assigned to Broker Dealer pursuant hereto and such agreement to which Broker Dealer is a party, (iii) all billings by such User and any applicable party in connection with such matter will be made by, and all payments thereunder remitted to, Broker Dealer and (iv) such User agrees to make, and shall require the applicable parties to make, such changes as Broker Dealer may require to any materials to be circulated to counterparties or make disclosures to counterparties to comply with Applicable Law. Transactions involving solicitation of Persons outside of the U.S. Territory shall require a written attestation that such transactions comply with the Applicable Law of applicable jurisdictions and be subject to Finalis KYC and AML reviews in form and substance satisfactory to Finalis. Notwithstanding anything to the contrary herein, Finalis shall not be obligated to pay User any compensation due it hereunder until Finalis is in actual receipt of the applicable compensation.

9. **MRB Terms.** In addition to and without limiting any provision in this Agreement, if User provides services to, or in respect of, an MRB Party that is, directly or indirectly, engaged in, provides goods to and/or services Persons with respect to and/or conducts business with any Person that engages in MRB Services, then the MRB Terms shall apply to such User and this Agreement and such MRB Terms shall survive the termination of this Agreement.

10. **Independent Contractor Relationship.** Finalis shall perform its obligations hereunder as an independent contractor of User, and, except as required per FINRA rules and regulations, User shall be deemed an independent contractor of Finalis and nothing hereunder shall create an employer/employee relationship. Neither User nor a User Affiliated Person shall have a claim against Finalis for employee benefits, and User shall be responsible for its and its User Affiliated Persons' benefits, taxes and social security payments. Neither Party has the authority to bind each other in any contract. Finalis is not acting as an agent or fiduciary of User or any other Person, and User waives any claim of such relationship. User agrees that it is relying on its own advisors and that Finalis is not undertaking to provide, and will not provide, any legal, regulatory, accounting, insurance, tax or other advice, and is not assuming any responsibility for User's or any Person's decisions with respect to a Transaction. Except as

required by Applicable Law, Finalis is not assuming any responsibility to conduct any due diligence for any Person with respect to a Transaction or any potential party thereto. User is responsible for ensuring that Transactions comply with Applicable Law. User may not bind Finalis or make representations, warranties or agreements on its behalf. Finalis has no obligation to enter into any agreement and reserves the right to deny working with any Person. Finalis may request information from User prior to acting with respect to any matter hereunder and may defer action thereon pending receipt of such information. Any action taken by a Finalis Affiliated Person in accordance therewith, or their failure to act pending the receipt of such information, shall be deemed to be proper conduct and not a breach hereof.

11. **Term; Termination.**

(a) **Term.** Subject to the Opt Out Right, the Collaboration Option and User's option at the end of the applicable Term to switch Packages then offered by Finalis as set forth herein, the term of this Agreement with respect to a User commences on the Effective Date and, unless otherwise agreed in writing by Finalis or terminated earlier as provided herein, shall remain in effect for the Initial Term and automatically renew for consecutive Subsequent Terms.

(b) **Termination of Representative.** Finalis may, in its discretion, terminate this Agreement with respect to each User that is a Representative, including in case of a Termination; provided, that, this Agreement shall remain in effect for the remaining Users under an Order Form and such terminated User shall remain liable to pay Finalis its Fees for the remainder of the Term as if such User had not been terminated and, if so paid, a new User that is a Representative may replace such terminated User and such new User shall not be required to pay Membership Fees for the running Term but shall be required to pay Membership Fees for each Term thereafter; provided, further, that if a User that is a Representative is terminated by Finalis for non-payment of Fees, such User agrees that Broker Dealer may, in its discretion and pursuant to applicable rules, note that reason for termination in such Representative's Form U5 filed with FINRA.

(c) **Termination of Agreement.** A User may terminate this Agreement solely in respect of such User with written notice to Finalis at least 30 days prior to the end of the applicable Term; provided, that, this Agreement shall remain in full force and effect for the other Users under an Order Form and their User Affiliated Persons. Notwithstanding anything to the contrary herein, a User cannot terminate this Agreement until all its unpaid Fees that accrue through to the final date of the Term have been paid in full. Subject to applicable FINRA rules, Finalis shall not be required to file a Form U5 with FINRA in respect of a Representative until all of its Fees have been paid in full. User agrees that failure to pay Fees may result in an explanatory comment on their Form U5 filed with FINRA. Finalis may in its discretion immediately terminate for Material Breach (a) this Agreement in its entirety, which shall terminate this Agreement for all Users under the applicable Order Form and (b) with respect to a specific User (in such case, this Agreement shall remain in full force and effect for the other Users under an Order Form). This Agreement shall terminate automatically in respect of a User or upon the institution by or

against such User of insolvency, receivership, liquidation or bankruptcy proceedings or an assignment for the benefit of creditors, or if such User is in default under any agreement governing indebtedness, but shall remain in full force and effect for the remaining Users under the applicable Order Form. This Agreement shall terminate automatically in respect of a User in case of their death, Impairment or Retirement, but shall remain in full force and effect for the remaining Users under the applicable Order Form. This Agreement shall terminate automatically upon the institution by or against Finalis of insolvency, receivership or bankruptcy proceedings. This Agreement shall automatically terminate if any governmental, regulatory or self-regulatory body adopts any legislation or action that prohibits the ability of any Party to perform its obligations hereunder.

(d) **Effect of Termination.** Any termination hereof will not affect (i) Commissions due to Finalis hereunder which shall be payable for all Transactions that closed prior to such termination, (ii) User's obligation to pay to Finalis any Fees owed to Finalis that accrue or would have accrued during the remaining months of the Term, and (iii) User's obligation to pay to Finalis any Tail Fees pursuant hereto. Upon such termination with respect to a User other than upon their death, such User shall promptly notify their clients in writing that User is not a Representative of Broker Dealer and that Broker Dealer is no longer its, as applicable, broker-dealer or U.S. chaperone broker-dealer, and User shall provide Finalis with evidence of such notices within two weeks after such termination; provided, that, in the event such evidence is not timely provided to Finalis, Finalis shall have the right to provide such notice. Promptly following the termination hereof, such User shall sign (and shall require their clients with Transactions approved by Finalis to sign) a written assignment or termination agreement in a form that is reasonably acceptable to Finalis in respect of each Transaction approved by Finalis, which agreement shall include a recognition of Finalis' Tail Fee during the Tail Period and a release and discharge of Finalis Affiliated Persons by User and the applicable client and their respective successors and assigns. Following the termination hereof, User shall be solely responsible for engaging a new FINRA member broker-dealer with requisite approvals listed in FINRA's BrokerCheck. If such User is not so appropriately registered and does not evidence the same to Broker Dealer, Broker Dealer may hold Commissions received by Broker Dealer after the Tail Period for the Holding Period after which such Commissions are deemed abandoned and shall become the property of Finalis. Following a User's death, Impairment or Retirement, Broker Dealer agrees to pay continuing payments as set forth herein to such User or, pursuant to Applicable Law, their estate, successors, assignees or legal representatives. Any provision hereof that expressly or by implication is intended to come into or continue in force on or after termination hereof shall remain in full force and effect.

(e) **Tail.** During the Tail Period of a Transaction, any Commission payments in connection with such Transaction (or if such Transaction is terminated, a similar Transaction) is subject to the Tail Fee to be paid to Broker Dealer by the succeeding FINRA member broker-dealer.

12. **Representation and Warranties.** User hereby represents and warrants to Finalis that each User Representation and Warranty is true and correct as of the Effective Date and throughout the Term and agrees that it will promptly notify Finalis and discontinue any activity

pursuant to this Agreement if any of the User Representations and Warranties becomes untrue. User acknowledges and agrees that the User Representations and Warranties shall be deemed reaffirmed by User on a daily basis throughout the Term, and that any breach of the User Representations and Warranties shall constitute a material breach of this Agreement.

13. **Indemnification of Finalis.** In addition to indemnification available to Finalis Affiliated Persons under law, User, on behalf of itself, their OBAs (if applicable) and each of its User Affiliated Persons, agrees that User, each of its OBAs (if applicable) and each User Affiliated Person, jointly and severally, shall indemnify and hold harmless all Finalis Affiliated Persons from and against all Losses that they incur at any time from or in connection with: (a) this Agreement; (b) their performance of, or failure to perform, the Products and Services, including the payment of compensation hereunder to User to payment instructions provided to Finalis by User or a User Affiliated Person; (c) any penalty or enforcement action taken by any Authority (i) against a User or a User Affiliated Person, (ii) against a Finalis Affiliated Person in connection with User, a User Affiliated Person, the Products and Services or this Agreement or (iii) in connection with any activity of a User or User Affiliated Person outside the scope hereof; (d) the breach of any of User's or a User Affiliated Person's obligations under this Agreement or any failure by any of them to perform any of their obligations in this Agreement; (e) any matter under or in connection with this Agreement outside the reasonable control of Finalis; (f) any agreement involving User or a User Affiliated Person; (g) any act or omission, neglect or default by User or User Affiliated Person or any Person authorized to act on their behalf; (h) User overriding or differing with Finalis' recommendation with respect to any language in an agreement to which Finalis or Broker Dealer is referenced or is a party; (i) User violation of Applicable Law; (j) breach or potential breach of security or unauthorized access to User's or a User Affiliated Person's Account to include misuse or wrongful disclosure of your username, password, other authorization or Confidential Information or failure by you or a User Affiliated Person to protect against fraudulent, inappropriate or unauthorized use of, or access to, the Products and Services, in each case even if you or a User Affiliated Person was aware of such incident, (k) agreement by Finalis to perform Transaction Services customarily conducted by a registered representative, (l) a Transaction or the Transaction Services, including if a User's client reneges or fails to meet its obligations, (m), third-party equipment, software, data, software or systems User or a User Affiliated Person combined, operated or used with the Products and Services, (n) wire or other financial transactions conducted by Finalis or its designee for Transaction Services or Transactions involving MRB Activities, MRB Services or an MRB Party and (o) any claim or potential claim by or against a User or a User Affiliated Person, including, without limitation, a current or former client, broker dealer or employer (in whatever capacity) of User or a User Affiliated Person, or any Authority arising out of such current or former client's, broker dealer's or employer's or a User's or User Affiliated Person's activities to include prior to the Effective Date; provided, however, that User shall not be liable under this section to the extent that a court of competent jurisdiction will have determined by a final non-appealable judgment that the Losses shall have resulted from the gross negligence or fraud of the applicable Finalis Affiliated Person. This section shall survive the termination hereof.

14. **Indemnification of User.** Finalis shall indemnify and hold harmless User from and against all third-party Losses that User incurs under U.S. federal or state securities laws that

result from Finalis's grossly negligent performance of, or grossly negligent or willful failure to perform, the obligations of Finalis hereunder, or any penalty or enforcement action of a U.S. Authority against User in connection with such obligations; provided, however, that Finalis shall not be liable under this section to the extent that a court of competent jurisdiction will have determined by a final non-appealable judgment that the Losses shall have resulted from (a) the gross negligence or fraud of such User or a User Affiliated Person or (b) the failure of User or a User Affiliated Person to perform any of their obligations hereunder. In no event will the total amount to be contributed by Finalis Affiliated Persons towards all Losses incurred by User exceed the actual Fees received by Finalis under this Agreement in the preceding three months of the date of a claim. User will notify Finalis promptly in writing of any circumstance or claim to which this indemnity relates (and will provide Finalis with information in relation to such circumstance or claim, its subject matter and amount). If a claim is brought against a User in connection with this Agreement, User agrees to provide Finalis with assistance to enable Finalis to resist any action, claim or proceedings, including access to any relevant documentation and attending meetings with Finalis, its insurers and its representatives.

15. **Indemnification Procedure.** The indemnifying party may not settle any Claim without the indemnified party's written consent unless the settlement: (x) includes a release of all covered Claims pending against the indemnified party; (y) contains no admission of liability or wrongdoing by the indemnified party; and (z) imposes no obligations upon the indemnified party other than an obligation to stop using any infringing items.

16. **Disclaimer.** TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, FINALIS DISCLAIMS ALL WARRANTIES, EXPRESS, IMPLIED OR OTHERWISE, INCLUDING, WITHOUT LIMITATION, FOR NON-INFRINGEMENT, SATISFACTORY QUALITY, MERCHANTABILITY AND FITNESS FOR ANY PURPOSE, WITH RESPECT TO THE PRODUCTS AND SERVICES AND THE CONFIDENTIAL INFORMATION, WHICH ARE PROVIDED "AS IS" AND AT USER'S OPTION AND RISK, AND FINALIS DOES NOT GUARANTEE ANY RESULTS, ACCURACY, COMPLETENESS OR PERFORMANCE. Under no circumstances shall a Finalis Affiliated Person be liable to User or any other Person for any loss, damages or expenses any of them may suffer, sustain, pay or incur by reason of any use of, or reliance upon, the Products and Services or the Confidential Information.

17. **Intellectual Property.** All ownership and right, title and interest to the Products and Services, the Confidential Information and all intellectual property rights in, arising out of or in connection with this Agreement (other than intellectual property rights in any materials provided by User or those of third-parties used by Finalis under license, which shall remain the property of User or such third parties except as set forth herein or to enable Finalis to exercise the rights granted to it hereunder) shall be owned by Finalis.
