7.11 Whether University is providing any scholarships to students? If yes, please provide details.

#### **ATLAS Scholarship Policy**

**ATLAS SKILLTECH UNIVERSITY** is a futuristic model focused on emerging trends and skills for young India. Technology – enabled learning has changed the focus to skills - led education with strong participation from the Government, Industry and Academia.

**ATLAS SKILLTECH UNIVERSITY** is a collaboration of eminent personalities from the academic and corporate world with an objective of transforming the skill development ecosystem and making it responsive to the current and future needs of both industry and citizens. **ATLAS SKILLTECH UNIVERSITY** will play a lead role in promoting India's New Education Policy NEP.

In **ATLAS SKILLTECH** University we believe in fostering a culture of Design, Innovation, Creativity and Entrepreneurship with various platforms to begin the cycle of innovation towards sustainable development. Our vision is to develop a rapid socio-economic development through Sustainable design, innovation, Communication and Entrepreneurship strategy. We are bringing the Digital Revolution at all levels of Education and bring the best of the world-renowned pedagogy, faculty and academic quality standards to India, keeping our academics strongly rooted to India and narratives that matter most to the sub-continent. We seek committed students, at the UG and PG level to join us, fostering learning, innovation and a real-world change and we also envisage to create students, who are socially responsible, nurture the environment & are creators of a sustainable future. We collaborate with the best brains and inputs from the industry and academics to provide a fuller program which will not only give academic insights but also provide first hand industry based knowledge.

We seek committed students, at the undergraduate and post-graduate level to join us, fostering learning, innovation, keeping the environment and sustainability in mind. We believe nothing should come in the way of quality education to deserving students, lest of all, financial constraints. This scholarship program offers financial aid, where we waive a percentage of tuition fees to help deserving students in meeting educational expenses.

We are committed to providing a strong base to become Entrepreneurs as A Famous Entrepreneur has quoted "**It's not about Ideas, It's about making Ideas happen**".

#### **Scholarship Committee**

The Committee comprises of **(Chairperson, Scholarship Committee)**

Director- Student Experience(**School of Design and Innovation**)

Associate Program Director, Design **(On Rotation)**

Director- Student Experience(**School of Management and Entrepreneurship**)

Director Scholarships, Member Secretary

## **Objectives of the ATLAS scholarship**

The main goal for Atlas scholarship is to empower eligible students to pursue their career goals by eliminating financial roadblocks. The program is designed with a purpose and thoughtfulness to ensure it meets the needs of the community and its students. The scholarship has been established to assist students from deserving families and to facilitate bridging the financial gap that prevents students from pursuing their dreams of higher education. This scholarship is awarded based on financial need and is only offered to incoming **ATLAS SKILLTECH University** students. Scholarship is often considered as a personal venture by each individual student. Eventually it is the individuals journey to get inspired to study, research and pursue higher education. Hence a scholarship program will reinforce and realize an individual's academic efforts. In addition, every term the committee will monitor the learning of the student for optimum results. This opportunity will create exceptional motivation for the students to share stories of success regardless of the path.

## **Roles and responsibilities**

The charge of the Scholarship Committee is to oversee the annual scholarship and to ensure the timely and fair disbursement of the scholarship funds. The committee is in charge of accepting applications and making decisions based on the applicants' requirement and response.

The committee will evaluate and review the scholarship applications based on the relevant supporting documents received from the applicants.

The committee will also understand the need for quality of judgements, non-discrimination within the scholarship selection process.

The committee will focus on the specific selection criteria.

The committee will review and rank applications and award scholarships based on the corpus and availability of funds.

The decision of the scholarship committee is binding, conclusive and final.

## **Categories of Scholarships**

Based on students' expectation and context, ATLAS SKILTECH University provides the following types of Scholarships:

1. **Merit Scholarships:** Our University stands committed to recognize and reward Meritorious Students. The objective of the Institution is to ensure educational development, support to realize dreams in fulfilling careers. The merit-based scholarships are evaluated on the basis of academic records, performance in the personal interview which will encourage them to pursue higher education. It is a reward and motivates to fulfil their dreams. Students who have worked hard to maintain good grades, can apply for the Scholarship program. Students who have been awarded financial assistance on this ground will be eligible for the international transfer programs.
2. **Need Based Scholarships:** Need based scholarships are awarded based on the parents' financial background. Our University stands committed to students from low income group families to realize their dreams. The University supports with financial assistance to pursue professional and technical courses with additional resources for the deserved and worthy young generation. The decision is made on the basis of active work, attitudes displayed through the supporting

documents which is shared with us. Subsequent conversations also play a very important factor that lead to this initiative. **Students who have availed of financial assistance will not be eligible to apply for the international transfer programs.**

3. **Educators' Scholarships:** Our University aims to financially support the education of children of educators and academicians. This would encourage them to pursue their studies without thinking of any financial hurdle. Our Institution recognizes educators and members of the community who promote quality public education, and impact their students and community. In honor of these educators, the University is awarding the Educators' scholarship to the children of educators. Students whose parent(s) are academicians and where the significant income of the family comes from teaching will be considered favorably for the scholarship. Students who have been awarded financial assistance on this ground will be eligible for the international transfer programs.
4. **Defense Scholarships:** Our University stands committed to our Armed Forces and their families. When Defense Personnel are making supreme sacrifices for the nation and its people, it becomes the responsibility of all civilian citizen to care for the families of the Armed Forces. Towards this end, the University is providing Defense scholarship for students whose parents are in the Armed Forces. Students whose parent(s) have served or are currently serving in the Indian Armed Forces will be considered favorably for scholarship. Students who have been awarded financial assistance on this ground will be eligible for the international transfer programs.
5. **Sports Scholarships:** The objective is to encourage talent and create a pool of sportspersons. It is awarded to achievers in sports at the state and national level. Students who have been awarded financial assistance on this ground will be eligible for the international transfer programs.
6. **Bright Minds Scholarships:** This scholarship aims to attract talented students of higher caliber from a broad range of backgrounds. The scholarships will be awarded to students who exhibit community leadership, personal triumphs and academic achievements. Applicants are selected based on excellent academic performance, involvement in community and/or civic service, extracurricular profile, overall leadership potential, and other talents ready to make a positive change in their lives. The idea behind this is to encourage and help meritorious students excel in the field and get adequate rewards for doing well. Students who have been awarded financial assistance on this ground will be eligible for the international transfer programs.

If students meet the above eligibility criteria, they qualify for the scholarship; wherein a percentage of the tuition fee is reduced, in recognition of the students' academic achievements.

### **Library Automation (Using MasterSoft ERP & KOHA):**

The central library of ATLAS SkillTech University is computerized using the ERP Library module. The ERP library module has the acquisition, cataloguing, circulation, report generation, stock verification and WebOPAC facilities for smooth functioning. The library uses barcode technology for circulation. The software has an email facility for all library transactions.

The collection of the library is available online through the WebOPAC:

[https://libcloud.mastersofterp.in/OPAC\\_V3/](https://libcloud.mastersofterp.in/OPAC_V3/)

#### **The following facilities are offered to library users through WebOPAC**

- Browse library catalogues.
- Check the availability & status of books
- Check details of library membership
- See the status of books (issued or available)
- New arrivals
- Links to useful databases

Users can avail of the following facilities login with a user ID and password

- Can see the member details.
- See transaction/circulation history.
- Users can renew issued books.
- Pay overdue fines etc.
- Recommendation or suggestion of new titles for the library collection

### **Implementation of the automation of the Library and the digitization facility available Digitization Facility:**

The ATLAS SkillTech University library facilitates many services like scanning, archiving, printing, reprography etc. The library has established a digital platform with DSpace software which offers access to in-house scholarly reports, question papers, and syllabus & teacher's publications.

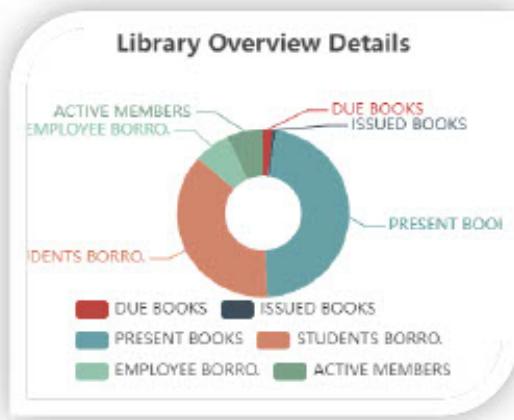

The library of ATLAS SkillTech University has constantly been making efforts to develop a substantial collection of learning resources and to provide access to knowledge.

### **The Special Features of the ERP Library module:**

The ERP library module shows Library Analytics. It shows graphs along with an Excel sheet of various reports based on weekly, daily & hourly etc.

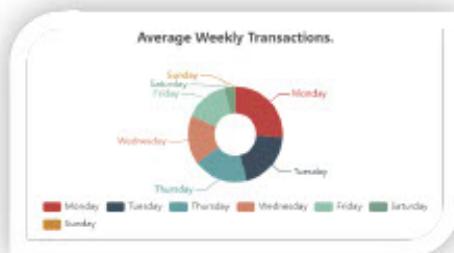

Following are some examples of ERP library automation software:
