

Healow Check-In (Via Text)

vipcare 

Checking in for your appointment is quick and easy. Here's how it works:

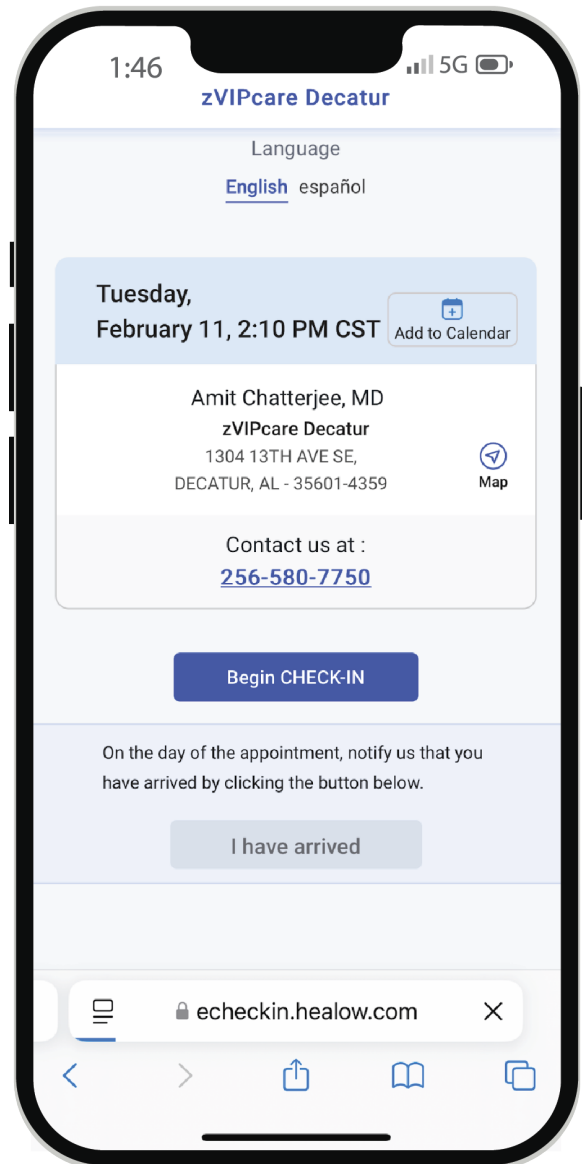

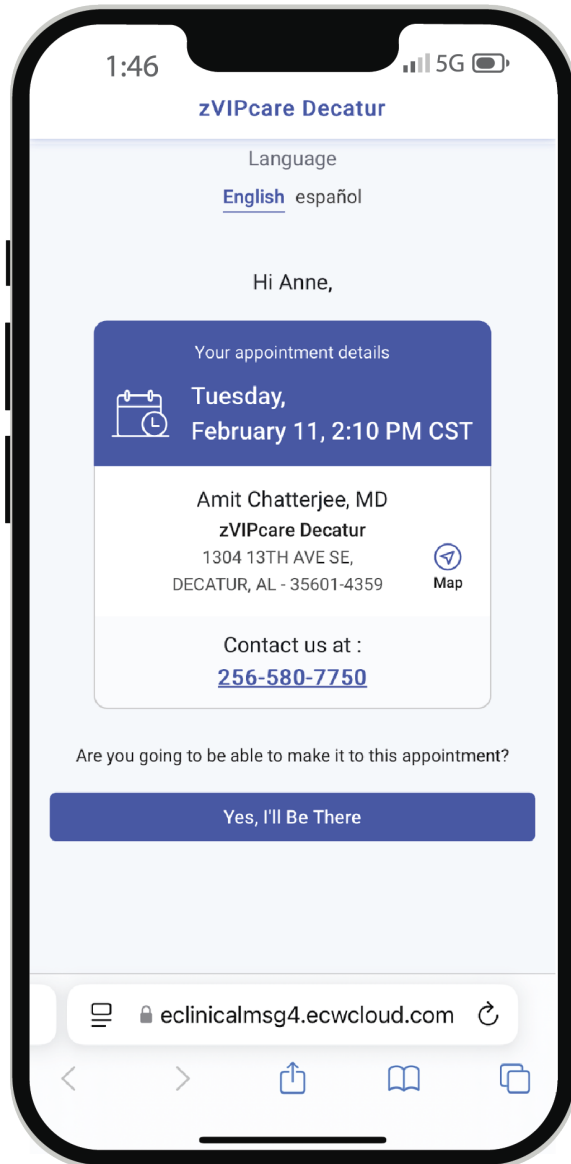

1. Get a text message

You'll receive a text reminder with a link before your appointment.

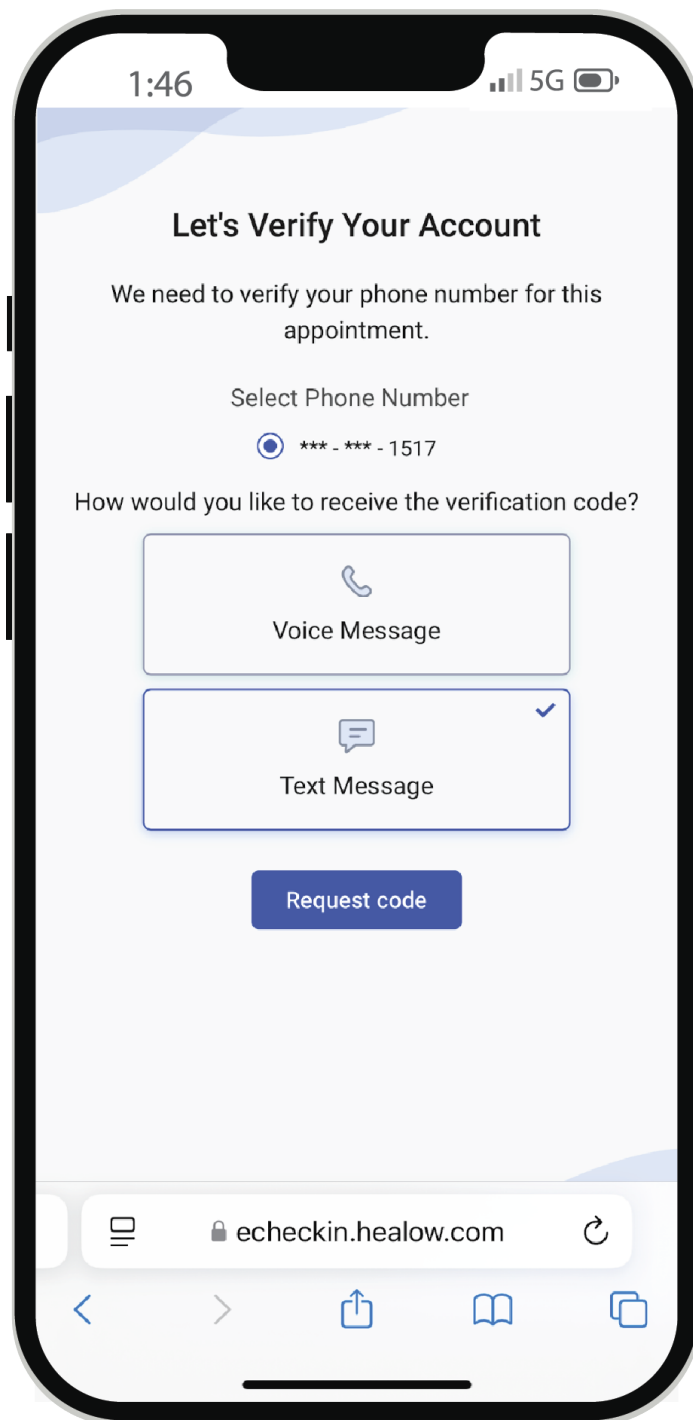

2. Tap the link

Click the link to confirm your appointment and start check-in.

3. Verify your identity

For security, you'll be asked to confirm your identity.

4. Review your information

During check-in, you can:

- Review or update your personal information
- Upload a photo ID
- Upload your insurance card
- Review or update hospitalizations
- Review or update surgical history

The screenshot shows the 'Patient Information' section with the following details:

- Name: Anne Test
- Address: PO Box 12345, Winter Garden FL 34787
- Preferred Name: (empty)
- Cell Phone: 727-804-1517
- Home Phone: 407-218-4567
- Email: (empty)

The 'Other Details' section includes a disclaimer: "Disclaimer: HRSA requires collecting data on gender identity and sexual orientation." Below this is a question: "Is the above information accurate?" with a "Looks good" button.

The screenshot shows the 'Medical Forms' section with the following forms:

- History of Falls (Start)
- Pain Assessment (Start)
- Alcohol Screening (Start)
- Tobacco Screening (Start)

At the bottom of the section is a "Next" button.

5. Complete questionnaires (if available)

If there are any forms or questionnaires, you can complete them during check-in.
