

Worksheet 9

## Make Your Own Donkey in the Mill Scene

Cut, colour and create your very own story world!

Bring 'The Donkey in the Mill' to life with your own hands! Use the characters and objects from the story to build your own little mill scene on your desk, fridge, or in a shoebox theatre.

What to Do:

1. Colour in the mill and each of the characters.
2. Carefully cut them out along the dotted lines (ask an adult for help if needed).
3. Fold the bottom tabs to help them stand up.
4. Use glue, sticky tack or tape to build your own story scene at home or in class.
5. Tell the story again in your own words — or make up a brand new ending!
