Nola's Journey Map

Draw the path of Nola's journey and sketch one animal she met at every stop.

The map shows a dotted path starting from North America, moving to Europe, then to Africa, India, China, Borneo, and finally Australia. There are seven large empty circles, each with a 'Name:' label below it, intended for drawing an animal at each stop. There are also several cloud icons scattered around the map.

Labels on the map: Africa, India, China, Nepal, Borneo, Australia.

Labels for animal names: Name: (seven locations)
