

The image shows a bright, modern restaurant interior. Large windows on the left and right sides offer a view of trees and buildings outside. A large, cylindrical, beige pendant lamp hangs from the ceiling. In the foreground, several wooden tables are set with glassware and plates. The chairs have a distinctive design with red and yellow leather upholstery. A large green plant is visible on the right side. A red overlay covers the middle section of the image, containing the text "The Campaner" and "GROUPS & EVENTS".
