PLEASE SUBMIT SCORES NO LATER THAN 4/10/26

**CLUB PRESIDENTS, BOARD MEMBERS, TEAM CAPTAINS &  
MATCH DIRECTORS,**

Your club is invited to join the many clubs across NYS in the 2026 NYS Indoor State Championship Match.

This year we have extended the Indoor State Championship match to include an 1800 version.

The Option's available to shoot are as follows:

## **OPTION 1**

900 (22 Only)

## **OPTION 2**

1800 (22 cal. 900 + CF 900)

I have included a Frequently Asked Questions document to answer all your questions about hosting the event, format and rules. Please read that document and if you have any remaining questions, please reach out to me.

I would like to highlight the following:

1) Each club can determine their own match fee to cover operating expenses, if any, to run the match.

However, a minimum fee of \$5 fee per shooter per match payable to NYSRPA will be required.

2) Upon completion of your club's matches, you will need to return a spreadsheet in the NYSRPA format with all the shooters information and scores. This is imperative for a smooth consolidation of results. The spreadsheet will be sent to you prior to 1/1/2026.

3) All proceeds will benefit NYSRPA Pistol division.

4) All Awards will be Certificates for this event.

5) Juniors are encouraged to participate. Please adhere to the NYS Rules & Regulations for anyone under 21 that will be participating (Ex. Parent or guardian must be present while the jr. is shooting).

Please Email me if your club is interested in participating.

To make this run smoothly, please only one point of contact per club.  
I will need the following information:

Clubs Full Name & Address

The club's point of contact for the match: Name, Cell # and Email Address

Thank You,
