

# Rockdale Summer Bullseye League 2026

**Starting May 7th 2026**  
**@ Rockdale Gun Club**

---

**312 ROCKDALE ROAD, MT. UPTON, NEW YORK 13809**

The Rockdale Rod & Gun will have Outdoor Bullseye Shoots during this summer. The first official shoot for score, will be on Thursday May 7th, signup will start at 3:45 pm the last shoot will be Thursday August 27th for a total of 17 weeks. Each relay will be able accommodate twelve shooters. The first relay will start at 4:00 and it will be .22 rimfire and centerfire on the second relay. We will run a total of 4 relays. The first relay will start when the line is full or not later than 4:15. The third relay will start at 5:45 and will be a .22 rimfire and centerfire for the fourth relay. The shoots will be rain or shine.

On unsafe rainy days (severe thunder storm) we will move to the indoor ten stations range.

On April 30th I will be at the range doing a work detail, getting targets ready and testing the turning system.

This would be an opportunity for shooters to sight in their firearms.

There will be a signup fee of \$10.00 for non-members \$5.00 for members and \$2.00 each gun. Scoring will be done by the shooters. Rockdale will have a modified Lewis system payout. First place will payout then one of next six places will be selected with a random generator (A Dice). The random number will be generated at the end of each night's shoot. It will be applied to each block of six shooters (2nd - 7th and 8<sup>th</sup> -13th and etc...).

Rimfire and Center fire will payout each week as follows: \$2.00 for first place \$ 2.00 first block winner and 2.00 for each remaining block winners. Payouts will be available the following week of the next shoot. Winning that not claimed on the last shoot of the year will be forfeited as donations to the Club.

We will be setting up tables at the Rifle Range Pavilion and target frames on the Rifle Range. There will be twelve fixed target frames set at 50 yards. Rockdale has turning target frames at the 25- yard line. All target backs will be repaired at the end of the evenings shoot and stored in the range cupboard. The frames and tables will be returned to there proper storage place.

Reserved times will be allowed. To pre-register, E-mail Steve Ingalls at [singalls@citlink.net](mailto:singalls@citlink.net) 48 hours before the shoot. Relay positions will be first come first serve bases, if the relay is not full of pre-register shooters.

## 25 Yard Turning Targets
