GAME DRIVES INTO
RANTHAMBHORE
NATIONAL PARK

Ranthambhore is perhaps the finest place in the world to see wild tigers in their natural habitat. Due to collaborative conservation efforts, the population of these charismatic Big Cats is at an all-time high in Ranthambhore, (and long may that continue!) Although, tigers are naturally the main attraction to Ranthambhore, the park hosts over 350 species of birds – residents as well as migrants – as well as numerous species of mammals, reptiles, and flora. Some of the other species to be found in these forests include leopard, sloth bear, hyena, Indian gazelle, Axis (spotted) deer, wild boar, crocodile, and many smaller creatures.

Our drivers and guides, with a combined experience of 150 years and counting, will interpret the landscape, its wildlife and history for you on what has been, for many, a life-changing experience. Our game drives blend expert knowledge with an incomparable driving experience in our own fleet of customised, 4x4 “Gypsy” jeeps.

Entry into Ranthambhore Tiger Reserve is regulated by the Department of Forests of the State Government of Rajasthan and there are only 20 Jeeps which can be confirmed in ‘Advance Booking’ quota in each of the 10 zones, per day in each shift (morning or afternoon).

Each hotel is only allowed a limited quota of jeeps into the National Park each day and these get booked up months in advance.

Subject to rules and regulations made by the Forest Department of Rajasthan, the following game drive options are currently available and include the following:

Morning & Afternoon Drives

Daily Morning Game Drive: 3 to 3 hours and 30 minutes
