1 Information about our use of cookies

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site. A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

2 We use the following cookies:

Strictly necessary cookies

These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services.

Analytical/performance cookies.

They allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.

Functionality cookies

These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).

Targeting cookies

These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising displayed on it more relevant to your interests.

The table below explains the cookies we use and why.

Cookie name or title	Purpose	More information
wa_lang, wa_ul (WhatsApp widget)	Used to enable the 'Click to Chat' functionality, allowing visitors to contact us directly via WhatsApp. These cookies are required to link the website interface with the WhatsApp platform and maintain user preferences	

	(such as language settings) for the chat interface.	
_ga (Google Analytics)	These cookies are used to collect information about how visitors use our website. We use the information to compile reports and to help us improve the website. The cookies collect information in a way that does not directly identify anyone, including the number of visitors to the website, where visitors have come to the website from, and the specific pages they visited.
