

**Eduardo Duran-Salinas | Certified EMT | Graphic Designer**  
(509) 200-6559 | eduardo-duran.com | eduran2@outlook.com

## PROFESSIONAL SUMMARY

Nationally Registered EMT (NREMT) with Basic Life Support (BLS) certification, experienced in emergency first aid, patient assessment, and health safety support in fast-paced environments. Creative professional with 5+ years of experience delivering clear communication, documentation, and process-driven solutions across digital and operational teams.

## WORK EXPERIENCE

### College Place Fire Department - College Place, WA

Volunteer EMT - *September 2025 - Present*

- Provide emergency first aid, patient assessment, vital signs, airway management, and basic life support.
- Collaborate with fire and EMS teams to ensure scene safety, effective patient care, and accurate medical documentation.
- Nationally Registered EMT (NREMT), certified January 8, 2026.

### Advoglobal - Walla Walla, WA

Graphic Designer / HTML & CSS Developer - *November 2022 - June 2025*

- Lead design for integrated marketing campaigns, including digital ads, email, web, and social assets.
- Develop and maintain responsive websites, ensuring accessibility, brand consistency, and optimal user experience.
- Create brand style guides and collaborate cross-functionally to deliver strategic creative solutions that drive KPIs and conversions.
- Troubleshoot rendering and compatibility issues to deliver polished, effective final products under tight deadlines.

### PixelSoft Films - Kennewick, WA

Graphic Designer - *October 2018 - November 2022*

- Designed and delivered consistent, on-brand visuals across digital, social, print, and video platforms.
- Created illustrations and animations for promotional videos and campaigns.
- Rebranded client materials, developing logos and visual identities that elevated brand presence and recognition.
- Collaborated with production teams to translate client needs into compelling designs, ensuring projects were completed on time and to high standards.

### Eastern Washington University

Student Activities, Involvement and Leadership (SAIL) - Cheney, WA

Marketing & Design Intern - *September 2017 - June 2018*

- Designed marketing materials across print, digital, and video to promote campus events and initiatives.
- Managed social media content and scheduling using Hootsuite, applying best practices for engagement.
- Supported event branding and displays that increased student participation while managing multiple projects independently.
