

A MESSAGE FROM OUR LEADERSHIP

Dear Friends,

As we enter our 30th year of serving the Atlanta community, Crossroads continues to grow in our impact and ability to respond to the increasing calls for help from our neighbors. In 2026, we will strengthen our effectiveness with the completion of the Pathway to Dignity Project. Designed to reflect the dignity of those we serve by providing a safe and welcoming environment, this new space will create a more efficient and streamlined way for our guests to access Crossroads' services, strengthening core programs such as case management, documentation, and mail services while improving connections to our many onsite partners.

At the same time, the need in our community is growing rapidly. Cuts in federal, state, and local funding—combined with the lack of affordable housing and rising food costs—are driving an increase in requests for assistance. As a result, we expect to serve more men, women, and children than ever before.

Crossroads is blessed to be supported by a faithful community of foundations, corporations, faith communities and generous individuals. To meet the growing needs of our community, we will work to expand our contributor base and increase our annual budget. The year ahead will be challenging, but we are confident that Crossroads will continue to step forward, providing access to the resources that empower people to move toward economic and personal stability.

With Gratitude

STORIES OF IMPACT

"The assistance of Crossroads Community Ministries to obtain my birth certificate was the last thing I needed to secure a home. I am extremely grateful for Crossroads." - Theron E.

Aaliyah and her child had been living in an unsafe environment. Crossroads D2D Housing Department provided a much-needed opportunity for change. With help covering a security deposit, she was able to secure safer housing and gain peace of mind for her family. This support also gave her valuable time to save money for other expenses, helping her build a stronger financial foundation.

A guest came to The Renewal Project seeking assistance obtaining an out of state birth certificate and enrolling in mail services. These vital resources were key steps toward securing stable housing and rebuilding independence. He expressed how grateful and encouraged he felt after receiving support, sharing that puts him one step closer to achieving stability.

OUR PARTNERS

We are deeply grateful for the partners whose annual support makes the work of Crossroads Community Ministries possible. Through their commitment, Crossroads continues to be in a place where every neighbor who walks through our doors is welcomed with dignity and compassion. **Their partnership helps ensure that individuals experiencing hardship are met with understanding, resources, and support as they work toward greater stability.** Together these partners strengthen our shared mission and help create a community where every person is seen, heard, and valued.

PATHWAY TO DIGNITY

We extend our deepest gratitude to the **generous donors of the Pathway to Dignity Capital Campaign** whose leadership and compassion are bringing this vision to life. Their investment ensures that every neighbor who walks through the doors of Crossroads is welcomed into a space designed to affirm dignity; a place where they are truly seen, heard, and supported. **The partnership of these donors is strengthening the journey toward stability for countless individuals and reinforcing Crossroads' unwavering commitment to walk alongside our community with compassion and care.**
