ABOUT THE EVENT

The Crossroads Community Ministries 2nd Annual Dignity Forum brings together community leaders, philanthropists, advocates, and changemakers for a conversation on homelessness, poverty, and systemic equity. Building on the success of our inaugural event, this year's forum focuses on actionable solutions for those on the margins of homelessness and deepening our collective commitment to restoring dignity to every individual in our community.

Through a program of keynote insights, a panel discussion, and lived-experience perspectives, the Dignity Forum goes beyond surface-level discussions.

Proceeds from the Dignity Forum will provide unrestricted funds to support programs at Crossroads Community Ministries including The Renewal Project, Door-to-Door Housing, and Clyde's Kitchen.

CROSSROADS COMMUNITY MINISTRIES

Crossroads is an Atlanta-based nonprofit that welcomes neighbors experiencing homelessness with unconditional hospitality and walks alongside them toward a stable life and a new road forward. We are built on a simple but radical belief that every neighbor facing homelessness deserves to be welcomed and served with unwavering dignity.

Crossroads removes the practical barriers that keep people from moving forward through case management, securing vital documents, access to mail, meal service, housing assistance, and on-site wraparound support provided by leading Atlanta agencies. This is the essential, gritty work that is the foundation beneath every success story, because a person cannot reclaim their life without their identity documents, they cannot find work without an address, and they cannot move forward without someone willing to walk alongside them.

At Crossroads, every door is an open one. Every neighbor is welcomed. Every step forward is taken with dignity intact.
