# QUICK USER GUIDE FOR WIRELESS SENSOR SPEAR

## EU WEEE Statement

This product should not be discarded along with household waste but should instead be collected and treated separately as electronic equipment in compliance with governing local legislation. This must be considered in regards to human health and protection of the environment.

The battery must be removed and disposed of in compliance with governing local legislation. Failing to meet this requirement can result in heavy metals accumulating in the environment and potentially be damaging towards humans, animals and natural resources.

## EU Declaration of Conformity

According to ISO/IEC 17050-1, the manufacturer:

Supertech Agroline Aps  
Maltgørervej 7  
5471 Sønderød,  
Denmark

Declares the Wireless Sensor Spear to be in conformity with the requirements of the Electromagnetic Compatibility (EMC Directive - 2014/30/EU and RoHS Directive - 2011/65/EU). A signed Declaration Of Conformity document is available online at [www.agrolog.io](http://www.agrolog.io)

## General Safety Instruction

According to ISO/IEC 17050-1, the product complies with EU Directives and standards, among other regulations, for electrical safety and electromagnetic compatibility. Inaccurate usage or handling may, however, result in damage to the product and small to medium injuries.

Extra precautions should be taken, when handling the battery. Removing a leaking battery should be done while wearing protective gloves, whereafter the contacts must be cleaned with a soft cloth.

## Terms and Conditions

By using this product you agree to these Terms and Conditions: [www.agrolog.io/terms-agrolog-app](http://www.agrolog.io/terms-agrolog-app)
