Teachers' Corner

English Department Lead

Mr. Griffin

Welcome to Legacy Leadership! As you step into this new school year, remember that every day is a chance to shape your story, make an impact, and lead with courage and integrity. Embrace challenges as opportunities, stay curious, and never underestimate the power of your own potential.

As J.K. Rowling once wrote, "It is our choices that show what we truly are, far more than our abilities." Let this be a reminder that the choices you make—big and small—define your journey, your character, and the legacy you leave behind.

This year, dare to dream, lead with purpose, and leave your mark. Your legacy starts now!

ENL Teacher

Mr. Saudek

I couldn't be happier to be back for another year at Legacy Leadership High School to work with all of our English Language Learners. I'm so proud of all of the students who've made progress in their language learning journey - it's wonderful to see the results of all of their hard work. I'm also happy to meet the new students here for the first time this school year!

As we move through the school year, I want to remind each of you that your potential is limitless. Every challenge you face is an opportunity to grow, and every small step forward is a victory worth celebrating.

You are capable of amazing things—not just because of your grades or achievements, but because of your effort, your kindness, and your resilience. Keep showing up. Keep trying.

Ribbon Cutting Ceremony Marks a New Beginning!

Welcome to a brand new school year! The halls are filled with excitement as students connect with friends, meet new teachers, and dive into learning.

The first day reminded us why we do what we do - our students' smiles, determination, and love of learning make our school a truly special place. We're so proud of how confidently they began this new chapter and can't wait to see all they'll accomplish this year.

Our school proudly hosted a ribbon-cutting ceremony on September 13th, 2025, to celebrate the opening of Legacy Leadership High School. The event brought together students, families, staff, and community leaders to commemorate this exciting milestone. Dr. Shirley-Brown shared words of appreciation for everyone who contributed to making this vision a reality. The ceremony symbolizes growth, collaboration, and our shared commitment to providing the best learning environment for our students.

"Building leaders today, leaving legacies for tomorrow."
