We are amplifying Student Voices Through Leadership.

Legacy in Action: Empowering Student Success Through Leadership

Who We Are

MISSION

Our mission at Legacy Leadership High School is to collaborate with all stakeholders to create an asset-based learning environment that provides rigorous instructional experiences grounded in data and 21st Century skills that will allow students to graduate college and be career ready.

VISION

Educators at Legacy Leadership High School will create affirming learning environments where students can engage in quality and differentiated real-life learning experiences informed by data, focused on literacy skills, and designed to prepare them for the world beyond their classrooms.

Dr. Jennifer Shirley Brown
Principal of LLHS

TOP REASON #1

FutureReady NYC

- Our FutureReadyNYC Education Pathway offers a comprehensive route for individuals aspiring to join the teaching profession, school counseling, library services, or community education. With a focus on enhancing and diversifying the teaching workforce, this pathway consists of four sequential courses designed to equip students with essential knowledge and skills.
- All students receive a course in **financial literacy** (*city-wide mandate*)
- Students complete a **paid internship** during their junior year of high school
- Earn **transferable** college credits by the time you graduate
